70 NEW FAMILIES SETTLE IN OREGON DURING JANUARY

Results of the classified advertising campaign now being conducted by the state chamber of commerce throughout the country are revealed in the January report which shows that 70 families were located in all parts of Oregon. During January 1929 there were but 26 new arrivals. Investments showed a marked increase, from $72,850 in January 1929 to $255,000 during the first month this year. Acreage of Oregon lands went up from 418 acres purchased by new families in 1929 to 14,485 in January, 1930. Manager W. G. Ide calls attention to the great increase of letters from families who write of their decision to locate in Oregon during the coming year. This number increased from 89 to 206 and these 206 families state they will have $753,800 to invest in Oregon. The Los Angeles office of the state chamber continues to send many prospective settlers and investors to Oregon and two large sales were made to Californians who visited that office, one being a tract of 160 acres in Tillamook county, the other being a 1200-acre place in Malheur county.

The tremendous interest in Oregon which has been aroused is shown by the 298 letters of inquiry receive one day by the state chamber and the average of 160 per day for the month of January. Manager Ide states that in all his years of land settlement work he has never seen such interest on the part of substantial families, amply financed to insure success in a new country as has been manifested in Oregon recently.

"SHADOWS HUGER than the shapes that cast them"

[Alfred, Lord Tennyson, 1809-1892]

"Coming events cast their shadows before"

AVOID THAT FUTURE SHADOW*

By refraining from over-indulgence

Men who would keep that trim, proper figure, women who prize the modern figure with its subtle, seductive curves—eat healthfully but not immoderately. Banish excessiveness—eliminate abuses. Be moderate—Be moderate in all things, even in smoking. When tempted to excess, when your eyes are bigger than your stomach, reach for a Lucky instead. Coming events cast their shadows before. Avoid that future shadow by avoiding over-indulgence if you would maintain that lithe, youthful figure.

Lucky Strike, the finest Cigarette a man ever smoked, made of the finest tobacco—The Cream of the Crop—"IT'S TOASTED." Everyone knows that heat purifies and so "TOASTING" not only removes impurities but adds to the flavor and improves the taste.

"It's toasted"

Your Throat Protection—against irritation—against cough.

*Be Moderate!... Don't jeopardize the modern form by drastic diets, harmful reducing girdles, fake reducing tablets or other quack "anti-fat" remedies condemned by the Medical profession! Millions of dollars each year are wasted on these ridiculous and dangerous nostrums. Be Sensible! Be Moderate! We do not represent that smoking Lucky Strike Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a Lucky" instead, you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a modern, graceful form.
