ARBITRATION FOR PORTLAND DISPUTE

(Associated Press Local Wire)
PORTLAND, Ore., March 28.—
A board of arbitration will en-
deavor to solve the wage prob-
lem confronting employees of the Pa-
cific Northwest Public Utilities
company, former Portland Electric
Power company, and officials of
the concern, it was decided last
night after an all-day wage con-
ference between employees and
officials failed.
Franklin T. Griffith, president
of the utility said, however, that
even though the wage scale par-
ley was unproductive as to mon-
etary matters, working conditions
were agreed upon and the board
of arbitration was selected. It
consists of representatives of the
concern and the employees and
one other to be selected by the
utility and the employees.

SPRAY BASE DUTY MEETS OPPOSITION

(Associated Press Local Wire)
MEDFORD, Ore., March 28.—
The Fruit Growers league and the
Rogue River Traffic association
yesterday appealed to the Oregon
congressional delegation to oppose
a two per cent tariff duty on white
arsenate, basic chemical of many
fruit sprays.
Growers claimed the increase
would be a heavy blow at profit-
ability. Congressman W. C. Hawley
advised that he and his conferees
would contest the increased duty
proposed by the senate committee.

TALENT PROTESTS HIGHWAY DETOURS

(Associated Press Local Wire)
TALENT, Ore., March 28.—Talent
citizens protested today that
several detours planned for use
while the Pacific highway is re-
built between Talent and Medford
will cut off 62 business establish-
ments and 142 homes from direct
highway connection.
A committee of residents on the
highway and business men of
Medford, through the chamber of
commerce, have appealed to the
state highway commission to see
if there is some other way of
keeping the highway route open
during construction.

McLARNIN AGAINST THOMPSON TONIGHT

(Associated Press Local Wire)
NEW YORK, March 28.—Two of
the finest welterweights in the
business, Jimmy McLarnin, of
Vancouver, and young Jack
Thompson, San Francisco negro,
are matched in the main ten
rounder at Madison square garden
tonight.
McLarnin, possibly the hardest
puncher for his weight in the
game, rules a 2 to 1 favorite.
Thompson has never been knocked
out in a ring career that has in-
cluded 259 bouts.
The psychological advantage, it

any, rests with Thompson. He
does not have so much at stake as
McLarnin, who hopes for a shot
at Jackie Fields' title this summer.
A defeat for McLarnin will remove
him from the picture temporarily
at least.

TODAY'S MARKETS

(Associated Press Local Wire)
PORTLAND, March 28.—Butter
and egg prices remained unchanged
today, but there was a slight weak-
ness in butter which may look to
indicate that the recent advance
might not hold.
Rising in the fruit and vegetable
situation, the Portland market of the
United States department of agricul-
ture says:
"Apparatus supplies are liberal
demand is improving, and prices are
lower again at 100 per in. for best
green apparatus. Increased com-
pensation of apparatus is probably
affecting demand for other types
of apparatus. Retailers are buying
slowly, with sales to Portland job-
bers as low as \$1.15 per 100. No. 1
orange, 1.15; No. 2, 1.10; No. 3, 1.05.
California stock commands a
20c premium over Oregon stock.
Cabbage weakened in response to
higher shipping-point prices; but is
still a luxury at 80 per lb. in
Portland. The Portland market is
firm, but movement to retailers is
rather slow at unchanged prices.
The market for fresh outside
is going into storage."

ercial Bulletin will say tomorrow:
