POLLY AND HER PAIS Let the Worm Turn—Gertrude Over

POEM FOR THE DAY

By LOUIS ALBERT BANKS

"Woman is no longer a housekeeper, since electric current supplies the energy. Her official title might well be changed to 'budget-keeper' and 'home hostess.' But husbands, despite the machine, are clinging to the same old title of 'providers.' Such, at least, are the findings of Mrs. James J. Storrow, chairman of the Massachusetts Better House Committee, expressed in an address before about two hundred members.

"Since the wife does the larger part of the spending, Mrs. Storrow remarked, it is only sensible that she should learn how to keep within her husband's income by studying budget systems. While the woman's place is still in the home her job has changed from scrubber, washer and cooker to hostess, accountant and home-maker. Mrs. Storrow urged that leisure time be occupied by young matrons in preparing themselves to make the home a happy place."—The Christian Science Monitor.

DAYS CREEK WILL FETE SUCCESS OF 4-H CLUB MEMBERS

Achievement day is to be observed at Days Creek Friday, April 18, celebrating the success of the 4-H club members. The program is to be sponsored by the Parent-Teacher association and funds will be used to send representatives to the summer school at Corvallis.

4-H club work has been one of the outstanding achievements of the students of the Days Creek school this year, with 20 students enrolled in the various projects, and all are expected to complete their work. The P.T.A. has been giving every possible assistance and support to this work, and combined with the student body, is hoping to send a large delegation to the summer school, as at least half of the students taking the work are planning to attend if possible.

In order to finance the trip it has been decided to hold a dinner at 7:30 p. m. Friday night, and admission will be charged for the dinner and program to follow. A quilt sale is also being arranged by the upper and lower river sections of the P.T.A., and the proceeds will also go to the club fund. The club girls themselves are raising money in several special ways so that a very substantial sum is in prospect.

The special program on Friday night is to be open to the public and a large attendance is hoped for.
