EAST GREETINGS FROM NICK CARTER'S TIRE SHOP Oh! the joy of my soul this Easter morning, to see new life manifested in the swelling buds, the blooming flowers, and in the grass under my shoe soles, and to have the joy multiplied many times by receiving a basket of sweet scented wild flowers from my little girl, with golden curly hair, from Idleyd; and to you I wish a long and happy life. May you retain your beauty and purity of soul that radiates from your face, like the sunbeams radiate from a pure diamond. Gail, I thank you for the basket of flowers. I had rather have them now than when I am gone.

TYPHOON DESTROYS LIFE, 14 TOWNS ON ISLAND OF LEYTE

(Associated Press Leased Wire) MANILA, April 21.—Crippled communications today brought the first evidence of the toll taken Friday by the destructive typhoon which swept over 14 towns of the island of Leyte, demolishing the communities of Tolsa and Dulag. Thousands were homeless and many believed dead or injured.

Official reports from the devastated region said that a complete check would not be completed for a week or more, since many towns had been completely cut off with telegraph and telephone wires down.

The typhoon, of small area but of unusual intensity, came as a surprise to weather bureau officials since such storms rarely come at this season in the Philippines.

Governor De la Cruz of Leyte wired the American Red Cross here, 48 hours after the typhoon struck. "Please secure immediate aid for thousands of homeless people, especially food, clothing and building materials."

He described coconut trees as standing like caniles with their tops blown off. The entire crop was destroyed, he said.

The Red Cross has taken action toward organizing the provincial forces of Leyte and Samar and arranged to send doctors, nurses and relief supplies on the first vessels from this port.

NOTICE The young people of the different churches will hold an Easter singing prayer service on the hill back of Benson school, to which everyone is invited. Meet at Christian church at 5:15 p. m. in case of inclement weather, the service will be held in the Christian church.

POEM FOR THE DAY

BY LOUIS ALBERT BANKS

THE CROCK OF GOLD AT THE RAINBOW'S END

Mrs. Lucretia Blankenburg, long recognized for her distinguished service to Philadelphia, has just received a new honor in the bestowal of the Fame Award, established by the Philadelphia Club of Advertising Women. The award was made at the annual "friendship dinner" attended by 2000 leading city women of this city.

Miss Florence Bari, former president of the club and originator of "the crock of gold at the end of the rainbow," presented the crock containing \$100 and the certificate of award, to Mrs. Blankenburg.

"When Mrs. Blankenburg was born," said Miss Bari, "women had few legal rights, and she defended these rights, helped to increase them and to take a pioneer part in the movement for women's freedom. She learned public speaking under the tutelage of Susan B. Anthony and was one of the first presidents of the Pennsylvania Woman's Suffrage association. She went to the legislature, both at Harrisburg and Washington, in the interest of women's legislation, and always has protected woman nobly and won many battles for them."

Mrs. Blankenburg's husband was one of Philadelphia's mayors, identified with the great reform movement which began in his administration in 1911. She was associated with him in his campaigns and thus learned much of the political situation. She has been actively interested and engaged in movements for the advancement of women for 65 years.—News story from Philadelphia April 5, 1930.

Lucretia Blankenburg, a seer, Has been a lifelong pioneer; In fifty-one she forced her way Through clouds illumed by inner ray. And won her medical degree— Was Philadelphia's girl M. D. She lived to see her woman's cause Win round the world with great applause.

She's always lived a rainbow life, Has broken trail through storm and strife; She's had her share of driving rain, Has fought her every step to gain. And now the rainbow's come, at last; Its victory hues o'er all are cast. How well she's earned her crock of gold! Her cause to all mankind is sold.

The timid souls should read her story, Take courage from her crown of glory. The thing that's right and should be done Will sometime find approving sun; The one who triumphs over fears, And fights the way in spite of jeers, Will come to see the rainbow tints— The crock of gold which Victory mints.

Each age needs many a pioneer, For riches oft men's conscience sear Till blindness hides the way that's just. And conscience fails to say, "I must." Ah, then we need some gallant soul To play Lucretia's daring role. To rouse the world to nobler things Until the bell of justice rings!

YANKEES BEATEN 4 IN ROW; SENATORS UPSETTING DOPE

Hudlin Takes Mound Duel With Uhle; Athletics Remain at Top of League Pack.

By HUGH S. FULLERTON, JR. Associated Press Sports Writer. The Washington Senators have taken a place in the front rank of the major league teams which have started the year by upsetting some of the dope. One good reason for their good showing so far is found in Lloyd Brown, big left-handed pitcher.

Brown is the only major league hurler to pitch two full games so far this year and to win them both. He held the Boston Red Sox to three hits last Tuesday and yesterday scored his second triumph by downing the New York Yankees, 6 to 3. The triumph put the Senators in a tie for second place in the American league instead of in the second division where the dope says they belong.

The Yankees, losing their fourth straight game, sent Sam Byrd to replace Aiton Cooke in the outfield with the announcement from Manager Shawkey that he would remain there against left-handed pitching, but the change brought no improvement.

Eight pitchers appeared on the mound for the second time at the start of yesterday's six games, and only Brown and Harry Selbold of the Boston Braves, remained to the end. Selbold won his game from the Brooklyn Robins, 7 to 2, as two Brooklyn errors and a home run with loaded bases provided six runs in the seventh inning.

Hudlin Wins Duel Young Willis Hudlin of Cleveland and old George Uhle of Detroit both went nine innings in a fine duel and Cleveland nosed out a 2 to 0 victory. Hudlin made the nearest approach to Brown's record, for he hurled the greater part of a losing ten inning duel with Chicago on his first appearance. A pinch double with the bases full by Burnett gave him yesterday's game.

In the third American league game, the Philadelphia Athletics scored their third successive victory of the year by lurching five hits off Dan MacFayden in one inning and downing the Boston Red Sox, 5 to 3. MacFayden went the entire distance but Ed Rommel, who started for the world's champions, had to give way to Jack Quinn.

Alexander Beaten The New York and Philadelphia National league clubs, which have started out as if to revive the title of "hitters' wonder," staged another close duel yesterday, the Giants winning by a 2 to 1 count. Carl Hubbell held the Phillies to four hits, two of them by Tommy Thayer, now while the Giants reached "Old Pete" Alexander for the greater part of ten, but still it took a home run by Mel Ott to win the game.

A similar battle between the Chicago Cubs and Cincinnati Reds marked the remaining National league struggle. The Cubs won, 4 to 3, after Cincinnati had scored three runs in one inning off Fred Blake. One game in each league suffered the common early season fate of being rained out.
