News of Douglas County

LOOKINGGLASS

(News-Review Douglas County Special)

LOOKINGGLASS, May 7.—A farewell party was given at the home of Mr. and Mrs. R. B. Montgomery, Wednesday evening, April 30, for John Montgomery and Harold Stromquist who left Thursday to enter the forest service in the Diamond Lake district. A group of about fifty friends gathered to wish the boys success in their summer work.

Miss Dorena Shortridge, of Roseburg, spent the past week at the home of Mr. and Mrs. Arthur Marsh.

Roy and Lester Jorden spent Sunday at the Roberts' home.

Mr and Mrs. Roy Buell were visitors at the Thompson home in Melrose Sunday.

The regular prayer meeting and Bible study will meet with Mr and Mrs. Klore, Thursday evening, May 8.

The Epworth league was ably led by Mrs. Arthur Marsh, Sunday evening.

Mrs. Larsen spent Sunday evening visiting with Mrs. George Marsh and Miss Alice Bostick.

Mr. and Mrs. Walter Steinhauer have moved into the home recently occupied by Mr. and Mrs. Carl Nickens.

Mr. and Mrs. Robert Telford of Eugene were in the valley Saturday of last week, visiting.

Mr. and Mrs. Carl Nickens of Roseburg came out Friday to attend the school program at the Grange hall.

Mr. and Mrs. Peter Jones were in Marshfield the past week transacting business.

Mr. and Mrs. A. B. Nickens spent Sunday at the home of Mr. and Mrs. Stanley Shrenk.

Several of the valley youngsters under the leadership of Mrs. Roberts hiked to the top of White Tail Sunday. Those in the party were Grace Montgomery, Virginia, Margaret, and Ovid Rogers, Lucile Rodley, Mildred, Shirley and Lucil Roberts.

Miss Mary Lokke, of Seattle, is the house guest of Mr. and Mrs. A. Larsen this week.

SCOTTSBURG

(News-Review Douglas County Special)

SCOTTSBURG, May 7.—Floyd Levens of Reedsport was a visitor here on business Monday.

Mrs. Mary Ellsworth of Scottsburg, who took the census report for this district, has returned to her home here after completing her work in Elkton and Kellogg precincts.

J. Paul Wessela and family have purchased a new Chevrolet car.

Spelling diplomas were issued to a number of students in the Scottsburg school Monday. Those receiving an average of 94 or better were awarded the diplomas, the students receiving the awards being Ruth Reeder, Lois Wilson, Barbara Wessela, Jessie and Laura Jean Waggoner, and Rhoda Mae Brookhart.

Roy Waggoner, Warren Waggoner and Paul Wessela were in Reedsport on business Monday.

Mrs. Mary Ellsworth made a business trip to Reedsport Thursday.

Warren Waggoner and Arnold Wessela went to Reedsport and Bandon on business Thursday.

Mr. and Mrs. Bowman and daughter, Mildred and Mrs. Lillian Travis and daughter, Gladys, were visitors at the Mary Ellsworth home Sunday.

Isabel Wilson was a visitor at the home of her mother, Mrs. Mary Ellsworth, Thursday.

Mildred Waggoner spent the week end at the home of her parents, Mr. and Mrs. Roy Waggoner.

Miss Cora L. John, teacher in the Scottsburg school, spent the week-end at her home in Goshen.

Warren P. Reed and Mr. and Mrs. Robin Reed of Reedsport, passed through Scottsburg Sunday enroute to Portland.

Miss Florence Middleton, who has charge of the culinary department for the Harman and Tiddle Ball camp, spent Thursday night in Scottsburg.

Mrs. Frank Boak and children of East Gardiner and Mrs. H. D. Butler and children of Reedsport were guests at the Walter Brookhart home Sunday.

Mrs. E. W. Franklin and children of Reedsport and Mrs. I. B. Abbott of Smith River were visitors at the Roy Waggoner home Sunday.

H. F. McClay of San Jose, California, is visiting at the home of his daughter, Mrs. Roy Waggoner.

Mrs. Bill Miller and children, Laura Jean and Sylvan, were visitors at the Walter Brookhart home Sunday.

Mr. and Mrs. E. W. Franklin and family, and Mrs. Franklin's mother, Mrs. J. B. Abbot and daughter, Ruth, attended the ball game Saturday afternoon at Elkton.

Mr. and Mrs. Paul Wessela and children, Conrad, Barbara and Rachael, were Sunday visitors at Leneve, Oregon.

Claude Esselstrom of Reedsport was a week end guest at the Paul Wessela home.

WATERMASTER IS NAMED FOR COW CREEK DISTRICT

(News-Review Douglas County Special)

GLENDALE, May 7. — Tom Pearce, watermaster for the Grants Pass irrigation district for the past three years, has been appointed watermaster to serve the Cow creek district during the ensuing irrigation season from May 15 to September 15. He was appointed by Rhea Luper, state engineer, with the county court concurring. Pearce will have full charge of distribution of water for irrigation purposes in the Cow creek district as soon as State Engineer Luper issues decree as to his findings regarding the status of water rights here.

During recent years there has been considerable trouble among water users on Cow creek as to priority of water rights. A hearing was held here May 18, 1929, for the adjudication of water rights on Cow creek as the result of C. O. Garrett and Son, and Sether Brothers, principal stockholders of the Cow Creek Irrigation company, contesting claims of George W. Turner, defendant. This hearing resulted in the appointment of a watermaster to supervise the distribution of water in this district.

IMPROVEMENTS MADE IN NEW SERVICE STATION

S. L. Hebard is completing numerous improvements at his service station on East Second Avenue South. A new air pump has been installed and he has also secured and placed an automatic greasing rack, together with other equipment.

GLENDALE CITY COUNCIL FIGHTS OVER WATER PLAN

(News-Review Douglas County Special)

GLENDALE, May 7.—Several of the councilmen calling each other liars and making more or less acrimonious remarks and criticisms of a personal nature about each other, enlivened the regular monthly meeting of the Glendale city council with its usual dull routine of city business last Monday evening.

J. Elmer Nelson, councilman and also city engineer, came in for the brunt of the criticisms regarding some phases in connection with work recently done on the municipal water system. After some argument the council decided to go ahead and complete the various water projects planned, including extension of water mains on Sether street and on Pacific avenue and the Mill creek pipe line. The council also decided that instead of running a pipe line from Mill creek to the city reservoirs, as originally proposed, to build a pipe line down Mill creek and connect directly with the city mains at the end of Molly street. It was also decided to do the work by force account instead of contract. As the majority of the council did not think it necessary to pay the city engineer $10 per day to supervise this work, it hired William B. Lesh at $6 per day to have charge of construction. A proposal by Nelson to supervise the work at a less wage than he is receiving as city engineer met with scant consideration.

A petition bearing 58 signatures asking for a sanitary sewer on Sether street was referred to the sewer committee.

The council placed an order for 300 feet of fire hose.

NON-SMOKERS CLUB OF GLENDALE TO OFFER PROGRAM

(News-Review Douglas County Special)

GLENDALE, May 7.—The Glendale boys' non-smokers club has made arrangements to stage a sports carnival at the Glendale auditorium next Tuesday evening. A small admission fee in order to help pay expenses will be charged. Boys under 16 and girls under 10 will be admitted free.

The details of the program are being kept secret as it is intended to hold various contests, races and stunts of a surprise nature. Plenty of hilarious good fun is promised all who attend. The Glendale band will also be there and enliven the evening with a number of stirring musical selections.

The Glendale boys' non-smokers club was organized March 31 with H. S. Stevenson as sponsor. The club has no officers, no by-laws or any dues. Its membership comprises 80 per cent of the boys of the seventh and eighth grades and high school. There are 34 enrolled. Boys who do not attend school and who are between the ages of 12 and 18 are also eligible to membership. The name of the club indicates its prime object. The club also fosters and encourages good clean fun and sportsmanship.

TILLIE THE TOILER — The Torch Bearer

TODAY'S MARKETS

(Associated Press Leased Wire)

PORTLAND, May 7.—The price of Tillamook cheese triplets has been reduced 1c to 22c and loafs 1c to 23c, according to the Tillamook County Creamery association.

A leading paint company announced a reduction of 4c a gallon in raw and boiled linseed oil.

Egg and butter quotations were unchanged today, with a weaker tendency in eggs and a stronger tendency in butter.

Reviewing the fruit and vegetable situation, the Portland bureau of the U. S. department of agriculture says:

"Movement of potatoes by Portland dealers, enjoyed more activity Monday and Tuesday than has existed in many weeks. No price changes were made, but all distributors report a liberal volume of business. In contrast to this condition at Portland, Chicago reports a very dull potato market, and sharp declines in prices and in volume of shipments were noted in Texas.

"Oregon's onion holdings are now confined to a few cars, fortunately; inasmuch as new Bermudas are moving from California and Texas in heavier volume daily, with a generally weak market.

"Lettuce supplies are only moderate, with passings northward through Roseville indicating even lighter receipts due for the northwest during the next few days. The market is firm. Oregon lettuce is increasing, but California will continue an important source of supplies for some time yet.

"Good distribution of strawberries is being maintained at Portland. California is now about at the peak of the shipping period. Receipts are only moderate in volume and quality is generally good."

Eggs: Prices to retailers: Fresh extras, 26c; standards, 25c; fresh medium, 24c. Prices to wholesalers 2c under price to retailers.

GENERAL MARTIN UNHURT WHEN AUTO OVERTURNS

(Associated Press Leased Wire)

SALEM, Ore., May 7.—An automobile carrying Major General Charles H. Martin of Portland turned turtle on the Pacific highway near Woodburn yesterday when it skidded from the pavement. No one was injured. General Martin came to Salem to file preliminary application papers for his son, Samuel H. Martin, who is to take the state bar examination here in July. He is a student at Harvard.

CHEVROLET

IT'S WISE TO CHOOSE A SIX

A demonstration tells you why it's wise to choose a six

Everywhere, buyers in the low-price field are agreeing "It's wise to choose a Six." And if you want to know *why*—get a demonstration of the new Chevrolet Six.

The Chevrolet Six is *always* smooth. When you idle the motor—drive fast in second—or travel at top speed—the power flows easily and evenly at all times. And everyone in the car enjoys a pleasant ride.

Developing 50 horsepower, the Chevrolet motor is also a marvel of flexibility. Needless gear shifting is avoided. And on the steepest hill, there is a reserve of power more than equal to every need.

And six-cylinder smoothness protects the entire chassis from the destructive effect of vibration. As a result, the whole car lasts longer —and resale value is increased.

Moreover, a demonstration reveals many *other* reasons why it's wise to choose a Chevrolet Six.

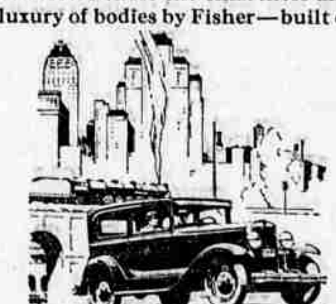
Chevrolet offers the smartness and luxury of bodies by Fisher—built of hardwood and steel, the finest type of body construction known.

Chevrolet's four semi-elliptic springs and four Lovejoy hydraulic shock absorbers provide comfort and security wherever you drive.

And Chevrolet's completely enclosed, weather-proof, four-wheel brakes give definite assurance of quiet, positive braking control.

It will take only a few minutes to confirm all these reasons *why it is wise to choose a Chevrolet Six.* So come in today. Get behind the wheel—and drive!

And, as you do, remember this fact: The Chevrolet Six is just as economical as any car you can buy. It costs no more for gas, oil, or service. It is priced as low as $495 at the Flint factory. And it can be purchased for a small down payment with unusually easy terms.



Coach, $565, f.o.b. factory
