Quick Pile Relief No Salves or Cutting Pile sufferers can only get quick, safe and lasting relief by removing the cause—bad blood circulation in the lower bowel. Cutting and salves can't do this—internal remedy must be used. HEM-ROID, the prescription of Dr. J. S. Leonard, succeeds, because it removes this blood congestion and strengthens the affected parts. HEM-ROID tablets as sold by druggists everywhere, have such a wonderful record for quick and lasting relief, that Chapman's drug store always sell them with guarantee of money back if they do not end all pile suffering.—Adv.

Contagious Foot Disease Attacks Millions—Watch Out

You May Have It

An Intense Itching and Burning Under and Between the Toes Often Spreads To Soles of Feet—Skin Breaks and Blisters.

Stop Infection Before It Spreads

If not caught in time the disease usually spreads along the sole and sides of the foot—the skin reddens and may peel off.

CAUTION: The disease is infectious—someone in your own home may have it—(find out tonight). Beware of bathmats, either at home or in hotels—use a newspaper—it's safer. Wear your own slippers and walk as little as possible in your bare feet.

TREATMENT: After bathing the feet apply Moone's Emerald Oil generously, not only under and between the toes but over the bottom and sides of feet. This powerful oil soothes and penetrates—stops the itching and checks growth of the germs.

Pharmacists everywhere in America dispense Moone's Emerald Oil—a bottle lasts a long time.—Adv.
