SENATE PASSES CONFERENCE TARIFF BILL

Editorials on the Day's News

By FRANK JENKINS THE population of Los Angeles passes the million mark, with a good, strong quarter of a million left over as a starter toward a population of TWO MILLIONS.

Here is a prediction: Youngsters who are graduating from high school this week will live to see the day when Los Angeles is as big as New York.

Their children will see Los Angeles PASS NEW YORK.

THIS writer, who is an Oregonian by choice, because he would rather live in Oregon than anywhere else, is glad to see Los Angeles pass the million mark and hopes that before the next census she will pass the two million mark.

We of OREGON need markets. Big cities PROVIDE MARKETS. Los Angeles is big and CLOSE.

It doesn't cost us all our stuff is worth to get it there.

YOUR father can remember the time when Los Angeles was a desert-hot and unpromising and inhospitable. Your grandchildren, or at the most your great-grandchildren, will see Los Angeles the biggest city in America.

That leads straight up to this question: What are the reasons for this great growth?

"CLIMATE," you may say, by way of answer. Poo! Poo! The world is full of climate. There are barren deserts and impenetrable jungles in places whose climate is better than that of Los Angeles.

Or oil, perhaps, might be another alibi. There is more oil in Kansas and Oklahoma than in the Los Angeles area.

DO you suggest cheap transportation, remembering that the port of Los Angeles is now one of America's great ports?

Los Angeles HAD NO HARBOR to begin with. They had first to build their city clear down to the sea, and then they had to BUILD a harbor out of nothing.

HERE is the real reason why Los Angeles is the fastest growing city in America and will some day be the biggest in America: They never say or even think: "It can't be

Speed Monarch Loses Life in Test

H. O. SEGRAVE DIES TRYING RACING BOAT

Craft Carrying Holder of World's Auto Driving Record Overtakes in England.

Lake Accident Also Kills One Companion, Hurts Another; Victim's Wife Victim.

(Associated Press Leased Wire) WINNEMERE, England, June 13.—Major Sir Henry O. Segrave, internationally known speed king, died shortly after five o'clock this evening from injuries he suffered when his speed boat overturned on Lake Winnemere.

The famous racer, who holds the world automobile record of 231 miles an hour, lost his life while testing out his newest speed boat, Miss England II, with which he hoped to capture the International trophy at Detroit this summer.

While riding along on the lake at a speed of about 100 miles an hour, the boat suddenly was seen to turn over and plunge into the water. Segrave was dragged from the wreck by the owners of speed launches which shot to his assistance. He was taken to a nearby hotel and was found to have suffered a broken arm, a broken rib and a fractured thigh.

Companion Also Dies There were two companions in the boat with him. Mechanic E. Hallwell was believed to have been caught under the boat which sank within half an hour. Efforts to find his body were made immediately. The third member of the crew, M. J. Willcocks, was badly injured and was taken to a hospital.

It was stated the accident was due to a step on the outside of the bows of the boat giving away under pressure against the water.

SLAIN DRY AGENT

Albert I. Brown, (above) 34, federal prohibition agent of San Francisco, who was killed in an attempt to arrest Rooney Selby, 35, at his gasoline station at Indian Springs, Calif. Federal Agent Robert A. Davis, 29, who was with Brown at the time, was shot by Selby when he opened fire on the prohibition agents as they attempted to serve a warrant for his arrest.

Rotary of Three Cities Meet Here

An intercity meeting between the Rotary clubs of Coos Bay, Eugene and Roseburg was held at the Umpqua hotel last night. Ninety guests were present, and 60 from the Roseburg club. Rotarians were accompanied by their wives.

The program, a most enjoyable affair, was opened with a concert furnished by an orchestra under the direction of W. E. Ott. The entire group joined in several songs led by Rev. W. R. Baird of the Roseburg club. Musical numbers were also furnished by a male quartette from Eugene.

The Marshall club presented an Amos 'n' Andy skit, after which Rev. Mr. Baird entertained with a humorous reading. Miss Margaret Page, Mrs. D. R. Shambrook and Carlos Page, of Roseburg, presented another humorous skit.

The main feature of the evening program was an address by Frank H. Lamm, one of the outstanding men in the Rotary organization. Mr. Lamm, a resident of Hoquiam, Wash., is a past international director, past district governor and the author of several books on service club work.

The Coos Bay club, through its president Albert Mason, presented the Roseburg club with a beautiful bronze Rotary emblem, mounted on polished Myrtle wood.

Henry Booth of the Roseburg club presided over the meeting and program.

\$350,000 SUIT TRAILS HORROR OFF BOSTON

NEW YORK, June 13.—Suit for \$350,000 has been filed in federal court here by C. D. Mallory and Company, owners of the oil tanker Pithis, against the Merchants and Miners' Transportation company, owners of the steamship Fairfax, which rammed and sank the Pithis off Boston June 10 with a loss of 47 lives.

The sum of \$350,000 is the value put by the owning corporation upon the Pithis and its cargo.

ROOF OF A. G. SUTHERLAND HOME DAMAGED BY FIRE

The fire department was called out shortly before noon today to extinguish a roof fire at the A. G. Sutherland home on East Lane street. The fire apparently started from sparks from the chimney and burned into the attic causing considerable damage. The loss is covered by insurance.

SENATE VOTE ON VETS' HOME BEING SOUGHT

McNary Works for Action at Present Session on Bill He Previously Introduced.

Roseburg Is Sole Aspirant for Institution—Site Proposers Are Under Study.

According to information received today from Washington, D. C., Senator McNary is conferring with Senator Reed, of Pennsylvania, chairman of the senate committee on military affairs, in an effort to secure a prompt hearing on the national soldiers' home bill.

He is faced with a handicap, however, in the fact that the committee several days ago decided to report no more bills during the present session. If this is strictly followed it may prevent further consideration of the measure at this time.

Senator McNary, however, introduced a companion bill in the senate at the same time Congressman Hawley's measure went into the house, so that it may be possible to secure senate action under the head of standing business rather than as a new proposition.

Senator McNary, it is stated, will endeavor to get action from the committee immediately, in which case the senate can act this session.

Roseburg Has No Rival An Associated Press dispatch received today, regarding the site for the home, is most optimistic. It says: "Reports reaching Portland today from Washington, D. C., indicated that there was no question that Roseburg would be given the new national soldiers' home, a bill authorizing which was passed by the house Tuesday. It was said, however, that just before the passage, the measure was amended to the extent that a site in Roseburg was not specified but the

I. O. O. F. MEMBERS HOLD JOINT MEET

A joint meeting of Myrtle Creek encampment and Union encampment No. 9, of Roseburg, I. O. O. F., was held at Myrtle Creek last night. Eighteen members of the Roseburg lodge were present, having two candidates, Vernon Orr and Emory Sandquist, present for initiation. Mr. Whitney of Myrtle Creek was a third candidate receiving the degree. The meeting was addressed by Grand Patriarch E. J. Pratt, of McMinnville, who is making official visits to the lodges of the state. Following the initiation and lodge session, the Myrtle Creek order served refreshments. Those making the trip from Roseburg were H. A. Conaday, J. Earl Pickens, Carl W. Ohman, Ralph L. Russell, Ed S. Cockerleas, Fred L. Cockerleas, M. Miller, R. C. Joner, J. B. Bailey, W. D. Carstens, Victor Boyd, Ben Palm, Fred L. Perry, Tom Scott, William Gater, A. J. Geddes, Canton Robertson, of Roseburg, under orders from W. E. Wadsworth, department commander, furnished a uniformed escort for the grand patriarch.

WALSH REFUSES TO PROSECUTE CANNON

(Associated Press Leased Wire) WASHINGTON, June 13.—To avoid any charge of attempting to persecute Bishop James J. Cannon Jr., Senator Walsh of Montana today abandoned his proposal to seek specific senate authority for the lobby committee to investigate political activities.

"I think such a resolution should be introduced," he said, "but I shall not introduce it. The bishop has repeatedly charged that his investigation was a Catholic and war persecution. Since I am a humble member of the Catholic church, I would immediately be charged with attempting to persecute him. Therefore I shall take no further action."

The Montana democrat, who is a prohibitionist, was voted down three to one yesterday in an attempt to have the lobby committee ask for senate authority which would allow it to question the Southern Methodist bishop about his 1928 anti-Smith activities.

ANTLERS THEATER TO BE REMODELED

Interior Alterations, Additional Seats and New Furnishings Will Cost \$25,000.

Complete remodeling of the Antlers theatre, to cost approximately \$25,000, was announced today by E. A. Gross, manager. Work on the building will start soon, he said.

Extensive renovations have been planned, including installation of new equipment and furnishings. An entirely new lobby and mezzanine floor is to be constructed with a new stairway and approaches to the balcony. Stairs will go directly from the lobby to the center of the balcony. The new foyer will be attractively built and a new sign erected. Plans also call for the construction of a series of new boxes which will be built lower down and give a better view of the stage and screen.

Approximately 100 more seats will be added during the change. New and more comfortable seats will be installed throughout and new drapes and decorations will be added.

J. W. DeYoung, Portland, who is the architect, has announced that his plans will be completed within a week.

Coupled with the recent installation of Western Electric sound equipment at the cost of \$15,000, the improvements planned will give Roseburg one of the most attractive and up-to-date theatres in this section of the state.

The management will continue to book leading productions, Mr. Gross stated. The improvement, he believes, will add to the comfort and entertainment of patrons.

U. OF O. STUDENT KILLED IN WRECK

REDDING, Calif., June 13.—Edwin K. Otis of Alameda, a student at University of Oregon, was killed, and Lockwood Rogers of Pasadena, also an Oregon student, was badly injured, in an automobile accident north of here early this morning. The accident occurred on a curve and the car left the highway and rolled over an embankment. Rogers' condition was not regarded as critical.

The two youths, both members of Phi Delta theta fraternity at the University of Oregon, were returning to their homes in California after completing their studies in Oregon.

COPS OUSTED FOR ALLEGED GRAFTING

PORTLAND, Ore., June 13.—C. L. Miller and B. B. Baird, Portland policemen, were not policemen to day after their discharge from the force by Mayor George Baker.

Miller and Baird, who face grand jury investigations on charges of graft, are alleged to have received money from Nathan Goldberg to quash a supposed charge against Goldberg's son-in-law.

Goldberg told Mayor Baker that his son-in-law and his wife were sitting in an automobile near Reed college one night and the two policemen appeared. They were placed under arrest technically and driven to Goldberg's home where he (Goldberg) said he paid the two policemen \$25 to discharge his son-in-law and daughter.

FOUL PUNCH GIVES VICTORY TO SCHMELING

German, on Verge of K. O., Receives Blow in Groin From Jack Sharkey in 4th Round.

Outcome, While Producing New "Champion," Only Increases Chaos in Pugdom.

The round-by-round description of the Sharkey-Schmeling fight will be found on page six.

By ALAN GOULD Associated Press Sports Editor.

NEW YORK, June 13.—The fight world that had hoped to wake up today to celebrate the crowning of a new and undisputed world's heavyweight champion discovered, instead, that it had just another headache, hangover and controversy.

Max Schmeling won on a foul from Jack Sharkey within the last six seconds of the fourth round of what was to have been the decisive battle for the heavyweight title last night at the Yankee stadium, but they left the situation as chaotic as were the wild scenes accompanying the abrupt finish of the match.

Severely battered though he had been, the black-haired 24-year-old German youth, who looks, bobs and weaves like the one and only

LEGE RENAMED TO HEAD FARM BOARD

(Associated Press Leased Wire) WASHINGTON, June 13.—The controversy over the federal farm board's activities in the grain market was placed squarely before the senate today by the nomination of Alexander H. Legge to serve a second term as chairman of the board.

Intensive criticism of the board's policies has been expressed in business circles, particularly by the United States chamber of commerce. This was based upon the contention that the board's use of its \$500,000,000 revolving fund in buying grain hampered competition and was detrimental to private interests.

Announcing Legge's reappointment late yesterday, the White House also made public the nomination of G. C. Teague of California, to serve a second term on the board.

Legge and Teague were originally appointed to serve one year terms these ending at midnight tomorrow. The confirmation of Legge was opposed a year ago by farm organizations and senators from the northwest.

A close watch was kept today for an indication of renewed opposition from this source, as well as for signs of a contest based upon the criticism of grain dealers and other business men.

SPECIAL AGENT IS ACCUSED BY WOMAN

(Associated Press Leased Wire) PORTLAND, June 13.—Henry Ward, automobile dealer and bearer of a special commission from Governor Norblad, was arrested early today charged with assault and battery. Mrs. George A. Kingsley, prominent and wealthy, whose ex-husband is vice-president and manager of the West Oregon Lumber company, was the accuser. She told police Ward broke into her house early this morning, threatened and then struck her, and upon the strength of a police star he carried, told her she could not leave him arrested.

The seven-year-old daughter of the Kingsley called Kingsley and told him of the trouble. Kingsley called the police.

HOOVER'S CHOICE FOR JOB OF U. S. ENVOY TO JAPAN

President Hoover filled the last major diplomatic vacancy on the U. S. list yesterday by nominating W. Cameron Forbes (above) of Boston to be ambassador to Japan. Forbes, former governor-general of the Philippines, succeeds William Castle, who served at Tokyo temporarily during the London naval conference and is soon to return to his post of assistant secretary of state.

CLUBS QUIET CONS IN NEW TUMULT

(Associated Press Leased Wire) MANSFIELD, O., June 13.—The threat of swarming clubs and tear gas bombs had restored order at the Mansfield reformatory today after a second outbreak within less than two weeks, during which guards beat the ringleaders of 1,500 bowling, milling inmates into submission.

The latest disturbance occurred during the "big supper" hour late yesterday when the 1,700 prisoners in the dining room became noisy, tipped over tables and hurled their stools around. Two hundred of the inmates fled outside, apparently with the intention of avoiding injury rather than attempting escape.

Thirty Mansfield police and Richard county deputy sheriffs, armed with tear gas bombs and riot guns, augmented the prison guard at the request of Superintendent T. C. Jenkins, when he feared the situation might become serious.

The disorder was put down when guards entered the dining room and clubbed down a few of the ringleaders. Six of the men believed to have inspired the outbreak were in corrective cells today.

Less than two weeks ago a number of the prisoners attempted a break for liberty and one of them was shot and killed by a guard. Reports that another break was planned for last Monday resulted in arming extra guards with machine guns and tear gas bombs.

PIPER PAYS \$50 FOR ATTACK ON DUNCAN

PORTLAND, Ore., June 12.—Edgar E. Piper, son of the late Edgar B. Piper, officer of the Oregonian, was fined \$50 in federal court today for striking Robert Gordon Duncan, radio speaker, under indictment for violation of the federal radio act.

Duncan, unsuccessful candidate for congress, and self-styled "chain store nemesis" and "Oregon Wildcat," was attacked by Piper at the two met in the United States marshal's office following Duncan's arrest.

Piper declared Duncan had attacked members of the Piper family in radio talks. As a result of these and other speeches, the federal radio commission revoked the license of the station Duncan was using.

AFFIRMATIVE VOTES ONLY 2 IN MAJORITY

Five Democrats Join With 39 Republicans; House Action Expected to Be Favorable.

Lumber Duty of \$1 Per M. Not Effective Unless Canada and Mexico Impose Tariff.

(Associated Press Leased Wire) WASHINGTON, June 13.—The senate today passed the tariff bill by adopting the conference reports. The vote assured congressional approval of the measure.

The house votes tomorrow on the conference agreements adjusting differences between the two branches and affirmative action in a few hours is expected.

President Hoover probably will revive the year-and-a-half old Hawley-Smoot bill next week. Republican leaders have predicted it would sign it.

The vote on adoption was 44 to 42. Five democrats voted for the measure.

By D. HAROLD OLIVER WASHINGTON, June 13.—One year, five months and six days from the day it began to take form back in the waning weeks of the Coolidge administration, the tariff bill approached a final vote in the senate today with republican leaders confident of passage by at least two votes.

House leaders had announced that in event of affirmative senate action they would call up the conference agreement tomorrow with a view to completing congressional approval before the week-end.

President Hoover would have a week or more to sign or veto the bill before the end of the session.

DECISION DOESN'T AFFECT EXCISE ACT

(Associated Press Leased Wire) SALEM, Ore., June 13.—Oregon's state tax commission is not alarmed at the decision by the supreme court of the state of Washington yesterday holding invalid the bank tax in that state. The Oregon excise tax, affecting banks and other financial corporations, in force this year for the first time is protected by a constitutional provision enacted by the people in 1917. John H. Carkin, member of the tax commission, explained.

"The state of Washington," said Carkin, "has a constitutional requirement that all property must be taxed in uniform rates. It doesn't allow the classification of property, and no tax such as an income tax or Oregon's intangibles and excise taxes can be imposed under it."

"In Oregon the amendment of 1917 provided for the classification of property, so that different classes can be taxed at different rates. If banks were taxed in Washington they would have to be taxed at the same rates as all other property is taxed, but the courts have previously held against that, so Washington is out and injured until its constitution is changed."

An amendment that would remedy the Washington situation Carkin said, is to be introduced by the people this fall. It was defeated last year. In Oregon the amendment was voted on four times before it was adopted.

FATHER'S DAY TO BE OBSERVED HERE

Fathers' day is to be observed throughout Roseburg Sunday. Father's day was inaugurated several years ago and is rapidly gaining a place in the observance of the year. Gifts appropriate to the occasion are being offered in many Roseburg stores, and there is a wide variety of remembrances from which to select. Special attention is to be given the day in several of the city churches.

NEWS BREVITIES OF OREGON

COALITION MAY DEFEAT LONERGAN FOR SPEAKER SALEM, Ore., June 13.—Information has reached here that forces opposed to the election of Frank J. Loneragan of Portland as speaker of the 1931 house of representatives will confer in Portland Saturday and try to form a coalition against him. James W. Mott, of Salem, who is a candidate for the speakership, has been invited to attend. Among others present, it is said, will be Emmett Howard of Eugene and Herbert Gordon of Portland, also candidates for the speakership.

CRONMILLER MAY SUCCEED ELLIOTT AS FORESTER SALEM, Ore., June 13.—Lynn F. Cronmiller, for several years deputy state forester, is mentioned as a possible successor to the late State Forester Frank A. Elliott. It is said petitions in his behalf will reach the state board of forestry.

MERCHANT DISARMS THIEF AND PUTS HIM TO FLIGHT SALEM, Ore., June 13.—With two bullets urging him on, a robber last night fled from the wrath of C. C. Grimm, owner of the store of Lincoln, Polk county. The would-be robber entered the store and bought some cigarettes. While Grimm was taking change from the cash register the robber pulled a gun and ordered "hands up." Grimm took the gun away from him and began shooting.

AUTOIST HELD BLAMELESS FOR DEATH OF A CHILD SALEM, Ore., June 13.—Lorene Langston, 2, daughter of Mr. and Mrs. Floyd H. Langston, living north of Salem, was fatally injured yesterday when she was struck by an automobile driven by W. Stoik, a neighbor. Stoik was held blameless.

KLAMATH FALLS WILL GET SASH AND DOOR FACTORY KLAMATH FALLS, Ore., June 13.—The Charles K. Spaulding Logging company, a \$2,225,000 corporation, last night announced plans for immediate construction of a sash and door factory here. Cost of the plant was not stated. A site has already been purchased. O. A. Macy will be in charge of the Klamath Falls factory.

Spaulding operates a mill and plants at Salem and McMinnville and has sawmills at Salem and Newberg, with five retail yards in the Willamette valley and a wholesale yard in Portland.

FIVE COUNTIES GET MORE ON REVISED GRANT LANDS PORTLAND, Ore., June 13.—The comptroller general of the United States today approved claims of Oregon counties previously denied under the Oregon and California tax reimbursement act of 1925 amounting to \$200,000.

The treaty department will pay Clackamas county \$152,053; Mult-
