RECALL ATTEMPT MEETS HEAVY DEFEAT

Editorials on the Day's News

By FRANK JENKINS

HERE is a plain, blunt question: "Do you consider yourself a good citizen?"

If your answer is "yes," here is some plain, blunt advice: "All right; prove it by voting at every election that comes along."

IT IS all very fine to pose as a good citizen, and tell people what ought to be done and what ought not to be done and point out the mistakes that OTHER PEOPLE make.

But don't forget this: You can't be wholly a good citizen if you don't get out and VOTE AT ELECTIONS.

"CHICAGO Incensed by Gang Outrages." So runs a prominent headline in a newspaper yesterday.

These sub-heads follow: "Slaying of reporter leads to clamorous demands for clean-up of gangland. Police commissioner, under fire, must get results or get out, is edict."

RATS! Chicago is about as much incensed by these latest gang outrages as you are incensed when a mosquito bites you.

You slap viciously at the mosquito, and then forget all about it until another mosquito comes along and gets in his work.

And so it is with Chicago and the gang outrages.

LET us get SOMETHING ELSE straight, while we are at it. This something else has to do with the newspapers of Chicago, which are clamoring so loudly right now for gangster blood and gangster scalps; putting up a great appearance of civic virtue.

Here is the cold, plain, unpleasant truth ABOUT THAT: If these same newspapers which are shouting so loudly now had been telling the public the uncolored facts all these years and throwing ALL of their great influence UNHESITATINGLY on the side of law and order, Chicago would be an infinitely cleaner place than it is now.

BUT they HAVEN'T. They have been playing politics, along with all the others. They have been saying one thing in public and doing another in private.

So the public has lost confidence in the SINCERITY of the Chicago newspapers, and has come to believe that what they have to say is dictated by policy and not by earn-

Schall Wins in Minnesota Battle

U. S. SENATOR VICTOR OVER CHRISTIANSON

Republican Primary Result Ends Bitter Campaign; Wet Candidate Is Poor Third.

Congressman White Beats Brewster in Maine for Senatorial Place Held by Gould.

(Associated Press Leased Wire)

ST. PAUL, Minn., June 17.—Nomination of Thomas D. Schall, republican for a second term in the United States senate was indicated today when more than one-fourth of the state's precincts reporting from yesterday's primary election gave him a plurality of 25,593 over Governor Theodore Christianson, his chief opponent.

Returns from 1,055 precincts out of 3,698 in the state generally distributed in urban and rural regions gave Schall 80,188 and Christianson 54,595. John F. Selb, running on a wet platform, polled 8,745.

Schall swept the three largest cities in the state, Minneapolis, St. Paul and Duluth, by better than a 3 to 2 vote and also led in many parts of the districts in the southern part.

Governor Christianson, in receiving the news of the heavy Schall vote without a sign of great concern, admitted "there is no doubt about the result." He expressed gratitude for the voting support given him but declined to discuss any plans for the future. His third term as governor expires next January 1.

Personal Fight

The campaign failed to bring conflict between Schall and Christianson on national issues and to a large extent the race was reduced to a bitter personal fight for leadership of the party in the state, for which they have been rivals since elected to their present posts in 1924.

Both Schall and Christianson

MISSING EIGHT MEN BELIEVED DROWNED

(Associated Press Leased Wire)

TOLEDO, O., June 17.—Coast guardsmen seeking the fate of eight missing Toledoans, missing since Saturday when their speed boat was found floating in Lake Erie near West Sister island, today found a life preserver near the island with a shirt bearing the initials of Herbert Nauts, a member of the party.

Finding of the shirt was taken to indicate all of the eight men were drowned when thrown from the speed boat.

MINNESOTA G. O. P. PRIMARY WINNER

THOMAS D. SCHALL

At the state primary yesterday, Minnesota republicans nominated their blind senator, Thomas D. Schall, for another term over Governor Theodore Christianson and another aspirant who ran a poor third on a wet platform. There was no disagreement between Schall and Christianson on national issues, but they waged a bitter personal campaign, the climax of a six-year feud for factional supremacy.

HOOVER PUTS NAME TO TARIFF MEASURE

(Associated Press Leased Wire)

WASHINGTON, June 17.—President Hoover today signed the tariff bill.

The law, revising the existing eight-year-old rate structure in more than a thousand instances and overhauling the administration features, takes effect at midnight tonight.

President Hoover believes the revised flexible provision giving the tariff commission power to recommend rates for approval or rejection by the president will afford an opportunity to correct any unfair rates, go a long way toward taking the tariff out of politics and obviate the necessity for another congressional revision "for many years to come."

The bill provides 1,122 changes in present duties, including 887 increases and 235 reductions. More than 250 of the advances are on agricultural products including sugar, dairy products, grains, cattle, meats, fruits, vegetables, nuts and seeds.

Industrial products given rate boosts include textiles in the raw and semi-processed state, clothing of all kinds, manganese and zinc ores, and scores of other commodities. Plate glass, aluminum, and automobiles are the major products given lower rates.

Among 48 articles taken from the free list are softwood lumber, cement, brick, long staple cotton, hides, leathers and shoes.

Logs, now dutiable at $1 per thousand board feet, head the list of 75 items placed on the free list.

$7 PROFIT WITHOUT EXPENSE FOR LEAD

WICHITA, Kas., June 17.—As a motorist struck and killed 10-year-old John Graham's dog he noted a menacing shotgun in the boy's grasp and hastily proffered a $5 bill.

"Sorry, son; will that help any?" he inquired with a glance at the gleaming artillery.

"Yep," the boy said, "that makes $7 and its all profit, too. Shep had taken to chicken stealing and dad gave me $2 to shoot him."

LOVELL FINED $50 FOR BEATING WHITE

Lovell entered a plea of guilty to a charge of assault and battery, and was given the maximum sentence. He was unable to pay the amount of the fine and was committed to the county jail for 25 days.

COURT WIPES SLATE CLEAN FOR JOSEPH

State Justices Order That May Announcement of Disbarment Be Not Put on Record.

Rehearing Petition Arrives on Day of Death; State Committee Status Now Problem.

(Associated Press Leased Wire)

SALEM, Ore., June 17.—The state supreme court today ordered abated the proceedings which would have disbarred Senator George W. Joseph, republican nominee for governor, who died yesterday. The court ordered that announcement of his disbarment, which was made last month, shall not be published in the Oregon records.

Senator Joseph's petition for a rehearing on the case was received by the supreme court yesterday, the day of his death.

The opinion, written by Justice Belt and concurred in by all his associates, read:

"The petitioner, George W. Joseph, having died since the filing of the petition, it follows as a matter of law that the proceedings herein are abated. It is ordered that the opinion by reason thereof, will be withheld, and it is further ordered that the same be not printed in the official reports of this state."

Joseph was ordered disbarred for denunciation of several members of the court.

3 ARABS EXECUTED FOR KILLING JEWS

(Associated Press Leased Wire)

JERUSALEM, June 17.—Two Hebron Arabs and one Safd Arab were executed this morning at Acre jail for murders committed during the anti-Jewish rioting of last August. The Arab executive ordered the entire population to renew their strike of protest.

Strong police forces watched important traffic centers in Jerusalem. Arab pupils of government and Moslem schools attempted to demonstrate near Damascus gate where the government and Arab executive offices are located, and the police dispersed them, without use of force.

The Arab executive offices and a number of Arab houses were draped with black flags. While the matter of reprieve was still open yesterday the government received numerous cablegrams, including some from German Jews, asking mercy for the prisoners.

Today, after the executions, the viewpoint was expressed at the Jewish agency: "We hope it may never be necessary again to execute Arabs for murdering Jews."

3 DEAD, 4TH DYING IN BOOTLEG FEUD

(Associated Press Leased Wire)

RAVENA, O., June 17.—Three men are dead and a fourth was at the point of death here today as the result of a shooting affray in an alleged bootleg feud.

All the bullets were fired by one man who turned the revolver on himself when he feared capture by police.

The dead are: Joseph Dinato, 40, the alleged gun wielder; Benjamin DeAngilin, 36, and Frank DeEulis, 38.

The wounded man is Ralph D'Amico, 34, who is said to be the owner of the Roxy club, where the shooting occurred.

Dinato, known as a "small time" bootlegger, entered the club shortly before last midnight and accused D'Amico of causing police to interfere with him. D'Amico, witnesses said, ignored him, but he emptied his revolver on the three men.

STEPS TAKEN FOR ENLARGED TURKEY CO-OP

Organization of Growers in 12 Western Centers Aim of Conference Held at Salt Lake.

Fulfilment of Plan Means Eligibility to Federal Aid—Roseburg Man Vice President.

Completion of a preliminary organization to be known as the Northwest Turkey Growers' association, representative of twelve turkey centers of the western half of the United States, is reported by Herbert Beyers, manager of the Douglas County Turkey Growers' association, who returned last night from Salt Lake City, where he appeared as a representative of Oregon turkey growers before the federal farm board. Mr. Beyers brings back the distinction of being vice-president of the newly formed organization, which is the first regional poultry organization to be formed in the United States.

George W. Gustafson of Chinook, Montana, was elected president, and C. E. Cline of Nevada, secretary. Headquarters of the association will be in Salt Lake City.

Expansion Deserved

The association was formed after a three-day conference between 15 representatives selected from 60 cooperative turkey marketing organizations in 10 states. A preliminary organization was perfected, and if ratification is given by a sufficient number of the various associations within the territory affected, a permanent association will be formed at a later date. Plans, however, are being made for handling this year's crop in a series of marketing pools.

The territory embraced by the association was divided for administrative purposes as follows: Washington, western Oregon, eastern Oregon, California, Nevada, Idaho, Montana, Utah, eastern Colorado, western Colorado eastern

(Associated Press Leased Wire)

JACKSONVILLE BEACH, Fla., June 17.—William S. Brock and Edward F. Schlee took off today for a round trip flight to San Diego, Cal.

Brock and Schlee, who carried 450 gallons of gasoline, hoped to reach San Diego a distance of 2,172 miles and return to Jacksonville Beach in 24 to 30 hours.

The plane, which weighs 6,500 pounds with a full load, was expected to average 160 to 170 miles an hour.

For good luck, Schlee arranged to wear the same pair of tan and white sport shoes he wore when another monoplane the Pride of Detroit, carried them safely across the Atlantic ocean and Europe to Tokio in 1927.

Brock and Schlee took off from Harbor Grace, N. F., August 27, 1927, and reached Tokio Sept. 14, a distance of 12,295 miles.

PENSIONED WORLD WAR DOG HERO DIES

(Associated Press Leased Wire)

DENNISON, O., June 17.—Preparations were made today for the military funeral of "Bing," World war hero and the only dog said to have been decorated for services with the American expeditionary force in France. Gas he inhaled in the trenches as a puppy nearly 12 years ago, together with his advanced age, made it necessary to chloroform him.

"Bing's" body will be interred in the soldiers' plot in Urichsville Union cemetery, but his skin will be preserved and mounted by a taxidermist.

The dog claimed the added distinction of having been the only canine to receive a bonus from the United States government. He was assigned $65 a month as a soldiers' pension.

It was when "Bing's" nose scented gas in time to save the lives of many soldiers that he was cited and decorated.

RUM RUNNERS KILL PROHIBITION AGENT

(Associated Press Leased Wire)

GOLDSBORO, N. C., June 17.—P. L. Flinchum, a prohibition enforcement officer, was killed and H. V. Andrews, another officer, wounded seriously early today in a gun fight with alleged rum runners who escaped.

Two other officers, B. A. Dale and F. E. Street, sustained undetermined injuries when the automobile in which the four were riding when fired upon was wrecked.

The officers, attached to district enforcement headquarters at Wilson, gave chase to an automobile they suspected to be loaded with liquor at 3:30 o'clock this morning. A running gun fight between the occupants of the two machines developed.

Near the city park here the officers' car drew alongside that of the fugitives and in exchange of shots Flinchum was wounded in the head and Andrews shot through the arm and shoulder.

Flinchum was driving the automobile and when he was shot it left the road and crashed into a tree, injuring Dale and Street.

SCHOOL DIRECTORS FINLAY AND SHOEMAKER VICTORS IN ELECTION OVER 2 TO 1

Total Vote of 1299 Largest Ever Recorded In Roseburg on School Issue—W. F. Harris and Horace Berg Overwhelmingly Chosen For Seats on Board.

Roseburg's first recall election has passed into city political history with the word "failure" written opposite its purpose.

By decisive negative majorities of a ratio better than 2 to 1 out of a record school election total vote of 1299, the electorate of Roseburg went to the polls yesterday and rejected the proposal to remove Dr. G. C. Finlay and Dr. B. R. Shoemaker as directors of the city schools.

At the same time the voters also elected for new directors William F. Harris and Horace Berg, open opponents of the recall movement, over their competitors, Ralph L. Russell and John E. Flurry, whose chief support came from the ranks of the recall proponents.

The official vote was as follows:

To recall Finlay—Yes 356, no 911.

To recall Shoemaker—Yes 359, no 907.

For directors (two highest chosen)—Harris 895, Berg 845, Flurry 410, Russell 390.

Harris and Berg will succeed V. T. Jackson and Britt S. Nichols, whose terms are expiring and who declined to seek re-election. The terms of the newly elected men are for three years.

The terms of Finlay and Shoemaker do not expire until 1932. The fifth member of the directorate, Jack Wharton, has still one year to serve.

Many Voters Too Late

The vote in yesterday's election was the largest ever recorded here on a school issue, a total of 1,299 effective ballots being cast. When the polls opened at 2 o'clock at the junior high school building, there was a line of waiting voters, two abreast, stretched from the polling place in the school building to the street. The board, working as rapidly as possible, passed voters at the rate of about 250 per hour without a moment's interruption until 7 o'clock, when the doors were closed. When the polls were declared closed there was still a waiting list of more than a score, who, however, as they were inside the building at the time the doors were shut, were privileged to vote. At least another score of voters came after the time had expired, but were excluded.

Only two other votes in the history of the Roseburg schools have nearly equalled yesterday's record. In 1917, when a heated race between A. J. Geddes and L. A. Tillard for school director was conducted, there was a vote of 1,288, and in 1926 when an advisory vote was taken to select the site for the new senior high school, 1127 votes were cast. The next nearest approach to those figures was in 1924, when the contest for director brought out 862 voters. The lightest vote on record was in 1925, when only 23 votes were polled.

Alignments Close

Naturally, the greatest interest in yesterday's election centered around the attempted recall, which was overwhelmingly beaten. The strength of the recall faction was practically measured by the recall petitions, as the petitions bore 317 names, while the largest vote was 359. The vote for directors tallied closely with the results of the recall, Berg and Harris, the anti-recall candidates, receiving almost as many votes as were cast against the issue itself.

The work of tallying the votes was a very arduous one and was not completed until early this morning. The recall votes were first tallied, that work being completed shortly before 11 p. m., after which the votes for directors were checked. Intense interest was shown in the results, and a large crowd remained downtown to receive the bulletins furnished by the News-Review as the count progressed. Hundreds of calls were received at the News-Review office from residents of the district anxious to learn the outcome of the election.

TWO RESIDENCES TAKEN BY FLAMES

Two residences, one belonging to Al Creason and the other to Mrs. Anna Anderson, located on East Commercial avenue, near Sixth street, were destroyed by fire early this morning. The fire started in the house owned by Mr. Creason, the origin being unknown, as the building was unoccupied and no one had been seen near it. The fire was discovered shortly after 2 o'clock by Mrs. Anderson, who, with her son, occupied the adjoining cottage. The Creason building was almost completely gone at the time the fire was discovered and Mrs. Anderson's home was burning. She roused her son, and together they managed to save a few articles of clothing and some bedding, being driven out by the flames before any of their furniture could be removed.

An alarm was sounded and the fire department made a quick response, but was unable to arrest the progress of the blaze. Both houses were completely destroyed. They were partially insured.

FIRE PROTECTION SCHOOL TO BE HELD

O. C. Houser, central dispatcher for the Umpqua national forest, left this morning for Tiller, to make final arrangements for the annual training school for the Diamond lake and Tiller district protective forces. The three-day school starts tomorrow, and the short term employes will be given a thorough course of instruction in all of the work they will be expected to undertake. Supervisor Vernon Harpham, Assistant Supervisor Tom Burgess, Mr. Houser, Ranger Kenneth McReynolds, in charge of timber surveys, and District Rangers Thurston and Ritter of the Diamond lake and Tiller districts will conduct the school, at which 35 or 40 men will be present. A similar school for the forces of the North Umpqua and Bohemia districts will be held at Wolf creek next week, June 24, 25 and 26.

SWINDLER OF BANKS GETS 2-YEAR TERM

(Associated Press Leased Wire)

PORTLAND, Ore., June 17.—A. M. Haradon, former president of the defunct Guaranty and Loan company, arrested in San Francisco on a charge of using the mails to defraud more than 23 northwest banks, today was sentenced to two years at McNeil island penitentiary after he changed his plea from not guilty to guilty.

Upon motion of the assistant United States attorney, the court dismissed the indictments against eight others, arrested in California, Oregon and Idaho, on charges of being implicated with Haradon. Haradon, the federal attorney said, assumed full blame for the indictments.

His arrest grew out of his selling fictitious notes to the banks.

EXEMPTION APPLIES TO VET BUYING ON CONTRACT

To be allowed the exemption for 1929 the opinion holds it is not necessary for the old soldier or sailor to have filed his claim on or before April 1 of that year.
