TODAY'S MARKETS

(Associated Press Leased Wire)

PORTLAND, June 17.—While the price of sugar advanced 20c today, the price of flour balanced the scales by declining 2c in keeping with the lower wheat quotations. With the best family patents at \$6.80 and bakers' flour at \$6.40, the trade expects the lowest prices experienced since 1924.

The egg market was reported unchanged, showing the undertone easy and unsettled.

Butter prices were fairly steady with receipts light, but sufficient for needs.

Reviewing the fruit and vegetable situation, the Portland bureau of the U. S. department of agriculture says:

Cantaloupes are firm, and prices much higher with standard 4's moving to retailers at \$5.00 a box per crate. This represents about \$1.00 advance over last week's average.

Strawberries continue in only moderate supply, and prices remain at the unusually high mid-season level of \$5.00 a box per crate.

Tomatoes show strength, although price-increases are few due to only fair quality generally. A fancy packed Texas tomato, sold as high as \$1.00 per lb. Ordinary stock as low as 10c.

"Cherries, celery, asparagus, spinach and the bunched vegetables are more plentiful and prices are lower. A few Oregon cherries were shipped to Honolulu last Saturday."

Several varieties of green peas are being greened for shipment, in straight and mixed cars. The outside market is steady at 40c per lb. of No. 1 peas.
