

BIG OPENING SATURDAY, JUNE 21st

All Prices Good in Both
Roseburg Stores

Whether You Wish to Buy or Not You Are Welcome

Six years ago Stone's Cash Stores and the Twentieth Century opened in Roseburg on the same day as competitors. Today they are operating under the same organization as the MacMarr Stores.

The moving of our old Store No. 365 into new and larger quarters gives us two of the finest food stores in this part of the country. You should make it a point to look this new store over Saturday. We are sure you will be pleased with the many modern conveniences we have incorporated in our new place.

It has always been a consistent policy of MacMarr Stores to use local men and local products wherever possible, and our Roseburg stores, we are sure, have been a big help in marketing a large amount of the local products in and about Roseburg.

NOTE THE UNUSUAL SAVINGS

Our two Roseburg stores are offering some of the best values in foods that have ever been offered in this community. Buy a \$5.00 order and save 15%, many items priced below cost.

Whether You Wish to Buy or Not You Are Welcome

We are indeed grateful to Roseburg for the fine young men they have given MacMarr Stores. Some of the most valuable men in this division of MacMarr Stores were educated and received their training in Roseburg.

Tom Parkinson came West ten years ago and has spent his entire time in and around Roseburg. We are proud to have Mr. Parkinson for a district manager.

W. J. Ashworth, manager of Store No. 46, is a local man and has been with his present store four years.

A. D. Klingler, manager of the Sutherlin store, is a local man and has been connected with the firm for 5 years.

D. W. Radabaugh, Mr. Parkinson's assistant manager at Store No. 365, is a graduate of the local high school and has been connected with MacMarr Stores for the past six years, except the time spent in school.

Glade Bruton, manager of Store No. 44, Yreka, California, is a Roseburg boy. Mead Cooley, manager of Store No. 55, Medford, Kenneth Clark, manager of Store No. 364, Klamath Falls, and Frank White, manager of Store No. 366, North Bend, are all Roseburg boys. Other men who have received training in Roseburg and made good with MacMarr Stores are Ira Byrd, Fred Reece, Leland Clark, Kenneth Helliwell, Orville Lindsey, Jack Gibbs and Robert Byrd. These men are all graduates of the local high school and boys who are certainly a credit to any organization or community.
