TODAY'S MARKETS

(Associated Press Leased Wire)

PORTLAND, June 20.—Wheat and egg prices remained unchanged today, but both displayed a weak under tone. The strength shown by butter for the last few days appears to have yielded to accumulating supplies. The market was rather quiet, but the cooperatives, who control about 90 per cent of the output, announced no changes.

Poultry prices have declined materially, while fresh meats, with the exception of lamb, have advanced. Poultry yards are being culled and most of the fall at the consuming markets.

Reviewing the fruit and vegetable situation the Portland bureau of the U. S. department of agriculture says:

"Strawberry supplies were lighter today, and sold 25c per crate higher. Oregon's main strawberry season will be completed by the end of this week, although smaller movement will continue for some time yet.

"Carloads of green peas are being loaded to cash buyers at \$2.00 to \$2.40 per crate, depending on quality. Eastern markets are a trifle weaker today, but still eastern supplies from Portland are showing financial returns of \$5.000. In addition, many peas are being shipped daily by motor truck to northern points.

"Yakima reports a storage holding of potatoes totalling 55-60 cars, early this week. Nearly thirty cars have been loaded from that state during the first three days of the week, of which only 4 or 5 cars were new arrivals. The Yakima National Gen market is full, present loadings of combination grade selling at \$2.00-2.20.

"Wall Wall onions will move in a few days, but no orders have been placed by Portland distributors yet due to liberal supplies and low prices of California onions.

"The hunched vegetable declined to about 30c per dozen, under pressure of heavy supplies.

Wool Market Firm

BOSTON, June 20.—The Commercial Bulletin of Boston will say tomorrow:

"The wool market is well sustained in this country, with prices firm but unchanged and the movement both in the eastern seaboard markets and in the west fairly steady. Demand in the Boston market has not changed appreciably.

"Of the new domestic clip, it is estimated that 25 to 30 per cent is out of the growing lands.

"The foreign markets are barely firm. Prices in Sydney this week are quoted as follows: 1929, 15c; 1930, 16c; 1931, 17c; 1932, 18c; 1933, 19c; 1934, 20c; 1935, 21c; 1936, 22c; 1937, 23c; 1938, 24c; 1939, 25c; 1940, 26c; 1941, 27c; 1942, 28c;
