## Attractions AT THE MOVIES

**ANTLERS**—Today and Thursday, "The Marriage Playground," with Mary Brian; Friday and Saturday, "Rough Romance," with George O'Brien.

**PICTURES** of Roseburg and the North Umpqua region made a few weeks ago by the Scenic Education company will be shown at the Antlers tonight, Thursday, Friday and Saturday, it is announced by E. A. Gross, manager. The pictures are reported to be remarkably clear and many good "shots" are included.

**"The Marriage Playground,"** an all-talking moving picture with all the elements of perfect entertainment—pathos, romance, comedy and drama, is at the Antlers theatre today and Thursday. Based on the novel "The Children" by Edith Wharton, this production moves along swiftly, stirring the heart of the beholder to continuous emotional response. It concerns the revolt of the younger generation against the divorce-crazed, thrill-hungry behavior of their elders.

Mary Brian, as Judith Wheeler, is featured as the leading female role. Co-featured with her as the young American who befriends the unfortunate Wheeler children is Fredric March.

Huntley Gordon and Lilyan Tashman are the renegade parents. The roles of the young Wheelers are played by Philippe de Lacy, Billy Seay, Ruby Parley, Little Miti, Anita Louise and Donald Smith, the latter a nine-months-old baby.

**RESERVISTS GIVEN TRAINING ORDERS**—Several Douglas county reserve officers today received orders from headquarters of the second reserve area, Portland, to attend an active training period of fourteen days at Vancouver barracks beginning July 20.

Captains Edwin J. Lyons, Lyle Marsters, of Roseburg, and Ralston Bridges of Oakland; First Lieutenants Harold E. Sherry, Frank J. Hills of Roseburg and Robert L. Irving of Wilbur were those ordered to the barracks.

A practical course in field training to consist of drill combat exercises and map problems under simulated war time conditions is on schedule for the officers. While on active duty each officer will receive full salary and allowances of his grade in the regular army.

**IDLE YLD PARK WILL HAVE LIVELY JULY 4**—Silver loving cups to be given the winners in the three main events on the Idle yld park celebration program July 4th are on display at the Bubar Brothers jewelry store.

Plans for making the Pioneer picnic and celebration an annual affair are being discussed with arrangements under way to preserve the roster of those who attend each year's program.

The program for the celebration includes an old-time fiddlers' contest, a hog-calling contest, novelty horse race, a log chopping contest, lawn tennis, horseshoe games, outdoor checkers. A basket dinner will be served at noon with free coffee furnished by the North Umpqua social club. J. V. Long, Roseburg boy, will deliver the address of the day. A fireworks display will be a feature of the evening together with dances and other entertainment.

**WATCH CHILDREN'S APPETITES DURING SUMMER MONTHS**—Loss of Appetite Can Be Prevented by Improving Flavor of Diet

Mothers are often confronted by the problem of getting their children to eat what is good for them in hot weather. When they notice that this objection to wholesome food results in lassitude and lowered vitality, they are naturally disturbed.

The lack of taste-appeal of the food served, as well as the heat, is often the cause of poor appetites. The cereal may be tasteless; the fruit juice or stewed fruit too sharp; the vegetables uninviting in flavor.

By adding a dash of sugar to these foods, they will be much improved in flavor. Doctors and dietitians approve this use of sugar, because it makes many foods which are rich in vitamins, minerals and roughage more enjoyable.

A dash of sugar to a pinch of salt is a popular way to season string beans, spinach, carrots, cabbage, peas and other vegetables as they cook. And raw vegetables used in salads are much more palatable when served with a dressing in which such a combination of sugar and salt is used. Most foods are more delicious with sugar. The Sugar Institute.

## BEST MEDICINE SHE KNOWS OF

Says "Take Lydia E. Pinkham's Vegetable Compound"

Ft. Meyers, Fla.—"Lydia E. Pinkham's Vegetable Compound is the best medicine I ever heard of. Before my baby was born I was always weak and rundown. I had nervous spells until I couldn't do my housework. A lady told me about the Vegetable Compound and it strengthened me. Beside my own housework I am now working in a restaurant and I feel better than I have in three years. I hope my letter will be the means of leading some other woman to better health."

Mrs. BEATRICE RIVERS, 2914 Polk St., Ft. Meyers, Florida.
