Sky Hawk," plays the wistful, courageous little Marna Reynolds of the film, who falls in love with George O'Brien, a dashing young lumberjack.

"Rough Romance" was filmed almost in its entirety in the foothills of the Cascade range in Washington on the slopes of Mount Rainier; a country internationally famous for its beauty.

RICH in the pictorial beauty of the open range and built around a powerful story of the old west, "Rough Romance," Radio Pictures' outdoor all-talking triumph opens at the Liberty theatre today, following enthusiastic reception on its showing in other cities.

Rod La Roque, cast as a suave, gentlemanly "bad man," plays the lead in "Beau Bandit," a glamorous story of the open plains.

Ideally suited to the part, La Roque is said to give one of the most remarkable performances of his long screen career in this all-talking production.
