SENATORS REGAIN FIRST POSITION IN AMERICAN LEAGUE

By ORLO ROBERTSON
Associated Press Sports Writer

Aided by the schedule makers, Walter Johnson today had his sensational Washington Senators out in front in the hectic American league pennant scramble for the second time this season.

Because the men who set the playing dates saw fit to give the athletics a day of rest yesterday and at the same time let the Senators play the Red Sox, Washington is leading the champions by one-half game as the result of an 8 to 1 triumph over Boston.

In defeating the Red Sox, the Senators accounted for their eighth consecutive victory—the third time this season they have run their string of victories to eight.

The badly crippled Indians dropped a few more points off their percentage column, when they lost before the St. Louis Browns 6 to 1. Circuit drives by Ralph Kress and Goose Goslin featured the game.

A Mexican standoff was the result of the Detroit-Chicago doubleheader, the Tigers taking the first 3 to 2 behind the good pitching of Earl Whitehill but losing the second 9 to 5.

In the second encounter, ability to take advantage of Detroit's loose fielding gave the White Sox the decision.

Brooklyn Gains

Babe Herman's powerful bat gave the Brooklyn Robins a full game advantage over the Cubs as the National league champions lost while the pace setters were trimming the Boston Braves, 2 to 1.

A home run off Herman's bat, which was preceded by a double converted into a run when Wright singled, gave the Robins the decision and Ray Moss the best of the pitching duel with Bob Smith.

The Cubs looked just like another ball club as they dropped their third straight to the floundering Reds. The score was 4 to 2. Pat Malone pitched one-hit ball for five innings but weakened in the sixth and seventh.

A modern game of baseball was played at Philadelphia, where the Giants defeated the Phillies 13 to 12 in a slugging orgy that brought five New York and three Philadelphia pitchers to the mound. Among the 38 hits collected by the two teams were Klein's twenty-fourth home run of the season and another hit of the same variety by Frank O'Doul.

The Cardinals' march up the standings was halted by the Pittsburgh Pirates, who won 9 to 5 behind the steady southpaw pitching of Larry French. The Cards had won five straight games. Sunny Jim Bottomley and Gus Suhr hit home runs.

DOUGLAS-JACKSON TEAMS DATED FOR LEAGUE BASEBALL

A rattling good game of baseball is anticipated next Saturday afternoon at Finley field, when the Douglas county junior leage baseball team meets the Medford team in the next step in the state eliminations. The Douglas county team defeated the Coos county team last week and will play Saturday for the southern Oregon championship. Those who saw the game last Saturday, which Roseburg won by a score of 5 to 3, are greatly pleased over the ability of the local players and will be anxious to see the boys in action against the Jackson county aggregation. The players on the local team come from Yoncalla, Sutherlin, Myrtle Creek and Roseburg.

In the event the local team wins Saturday, the boys will then be matched with the Lane county team, and the winner of that game will go into Portland to play for the state championship. The championship teams from four states will then play at Baker in August during the American Legion convention. The eliminations continue until a national winner is selected at Chicago.

It is urged that residents of the county turn out Saturday to support the team in the match with Medford. A small admission price is to be charged to assist in defraying expenses.

POEM FOR THE DAY

THE MOST FAMOUS BOY SCOUT IN THE WORLD

Loaded with honors and universally praised by fellow-members of the Byrd Antarctic exploration party, Paul A. Siple, most famous boy scout in the world, is back home once more, and glad of it

Twenty-one years old Paul was the scout chosen from hundreds of thousands to accompany the history-making two-year expedition to the bottom of the world.

According to Rear Admiral Byrd and his aides, none worked harder or with more good will and intelligence than the modest youth from the city of Erie, Pa.

Though he grew to stalwart manhood amid the frozen wastes near the South Pole, Paul proved he was the same unassuming lad who had sailed away on the barkentine "City of New York," when asked what he wanted most in the world.

"Eats," he said unhesitatingly, "I wrote mother about it—two pages describing the pies, milk, vegetables, corn on the cob and ice cream I wanted her to prepare for me."

Needless to say his mother was on hand in New York to witness the mad welcome given the Byrd party when it triumphantly sailed up New York harbor. With her was her husband, C. L. Siple and 65 boy scouts from Erie. Tears streamed from Mrs. Siple's eyes as she saw her son for the first time in two years.

Paul was a freshman in Alleghany college, Pa., when he was picked as the most eligible boy scout between seventeen and twenty years of age to go on the hazardous adventure with Byrd.

While he was away in the Antarctic, Alleghaney's president, Dr. James A. Beebe, radioed him the good news that in view of his admirable record a four-year scholarship covering all expenses awaited him on his return.

Now that Paul is home basking in the sun at Erie and been congratulated personally by President Hoover, Dan Beard and other celebrities, the most precious recollection of his exploit is the praise given him by Rear Admiral Byrd, himself, when he said, "Paul took up his work as a man among men, stood regular deck watches at sea and turned himself into an able seaman on a full-rigged sailing vessel."

Paul plans to make scouting his life work after completing his studies at Alleghaney.—News story from Erie, Pennsylvania, June 26, 1930.

Paul Siple represents the scout;
In him they have a right to shout.
He gave their rules a daring test.
Has lived them on his two year quest;
In every trial he's made good,
Is honored by his brotherhood.
Now all mankind will shout his name:
He fills the world with scouthood's fame.

He's proved his gift for fellowship;
On comrade hearts he's kept his grip,
Has done his part and kept his place
With all a scout's good-tempered grace.
He's never faltered in his plan
To build a wholesome, useful man.
He's never lost a chance to serve,
And comes back home with springing verve.

No wonder scouts are wild with joy—
They see themselves; he is their boy!
He's stood the test and kept the faith,
Has shown their creed's no filmy wraith;
He's proved it has a right to live,
Can to the world new splendor give.
In every race and clan on earth
Scout groups will now increase in girth.

Paul Siple's course has won our hearts
In showing us true scouthood's arts;
He proves to every friend of youth
This simple plan unvarnished truth:
The finest thing a boy can do
Is to his scouthood vows be true.
And, though at home or roaming far,
They'll be to him a guiding star.

MINOR MATTERS OCCUPY SESSION OF CITY COUNCIL

A rather lengthy meeting, given over chiefly to the consideration of minor matters pertaining to city affairs, was held by the city council last night. In the absence of Mayor Hoover, A. J. Young, president of the council, presided.

G. W. Young appeared and asked the council to remit interest on the street assessment on the Crouch property. Upon the promise that the principal sum will be paid immediately, the council agreed to remit the interest.

The board of fire commissioners was instructed to investigate the report that buildings are being constructed in connection with the Tom Thumb golf courses in violation of the city's building ordinance.

The city marshal was ordered to investigate the condition of sidewalks on Miller and Parrott streets.

There was considerable discussion regarding the cutting of grass and weeds, and it was the sentiment of the council that where there is a large area of dry grass, that the fire department be asked to help residents of that community in burning off such places.

A request was received from J. C. Foree that the west end of Lane street, next to the river, be vacated. This matter was referred to the street committee for investigation and report. The street committee was also instructed to investigate a request for gravel on Wright street.

The bid of H. A. Blakely of Glide for furnishing fir wood for the city hall furnace was accepted. Mr. Blakeley's bid was in the sum of $3.00 per tier.

The council authorized the acceptance of $450 in settlement of the street assessment on the Stanciff property on Sykes and Short streets, in the event the property is purchased for an egg packing plant.

An ordinance vacating a short block of Maple street, next to the railroad track, and an ordinance making Oak street a stop street, were placed on third reading and were passed.

FLIERS FEARED LOST IN BURMESE JUNGLE

(Associated Press Leased Wire)

RANGOON, Burma, July 7.—Belief that the British airmen, Hook and Matthews, crashed in a wild, tiger-infested jungle a few miles northeast of Taungup, today was heightened by reports of villagers who stated they saw airmen flying very low, their plane apparently in trouble, toward the jungle.

The district is one of the wildest in Burma, uninhabited and without roads.

The government today organized a searching party from Taungup but progress is likely to be slow because of floods.

Hook and Matthews disappeared on an attempted flight from England to Australia.

No thick doughnut-shaped pads or burning acids—just a tiny, thin as paper wafer. Press one on the corn with finger and it sticks there. Away goes pain, shoes don't hurt, dance if you like. No inconvenience, worry or bother. Six O-Joy Corn Wafers for a dime at drug stores.

THE NEW
Super-Sieve
Gives 100% Food Value From Fruit

The late Dr. Wiley, knowing the greatest food value in fruit was in that part next to the skin, urged that the whole thing should be cooked, skin and all.

Through the new Super-Sieve, it is now possible for this to be done—its straining is fine enough to allow apples and other fruits to be cooked in their entirety, and then satisfactorily strained—IT GIVES YOU FULL FOOD VALUE!

CHOLERA TOLL IN PHILIPPINES HEAVY

MANILA, July 7.—Dr. Robert Hart, chief of the United States public health service in the Philippines, disclosed today there had been 456 deaths and 886 cases of illness from cholera since the disease appeared in the islands two months ago.

Dr. Hart did not believe there would be an epidemic. He said the disease would have claimed 10,000 lives had it reached the epidemic stage. He estimated two per cent of the population were cholera carriers and warned that "cholera will continue in the Philippines as long as the people do not change their sewage systems."

He said the disease was widespread in Masbate and Biliran islands, indicating a spread toward Manila.

In the outbreak of 1925 and 1926 deaths numbered 826. There were 17,770 cholera deaths in 1908 and 18,213 in 1919.

BLIND NEGRO PUGILIST TO GET BENEFIT PROGRAM

CHICAGO, July 8.—Boxers of main-event calibre tomorrow night will give Walcott Langford, promising negro middleweight of a year ago, the chance to knock out the blindness that floored him recently.

A costly surgical operation which Langford could not afford might bring back his sight.

A card of 15 three-round no-decision bouts has been arranged for Barry's gym, the proceeds to make up an operation fund for Langford.

Tuffy Griffith, Sioux City, Ia., heavyweight contender, Larry Johnson, negro light heavyweight, and Bud Taylor, Terre Haute, Ind., and Earl Mastro, ranking featherweights, are among the stars who will appear on the card.

PAIN IN YOUR SHOULDER?
Use Tysmol for Relief

Knife-like jabs of pain in the vicinity of the shoulder blade are generally due to neuritis, brought on by exposure to draughts or sudden changes of weather. In some cases there is stiffness or soreness in the muscles, making it difficult to raise the arm.

The safest and easiest way to relieve such an attack is to apply a small quantity of Tysmol over the affected area. This soothing, healing preparation is quickly absorbed through the pores and carried to the throbbing, aching peripheral nerves. The pains usually stop at once, and in a very short time the last trace of soreness should disappear.

Tysmol is absolutely harmless—free from dope. Recommended for all forms of nerve pain, whether caused by neuritis, neuralgia, sciatis or rheumatism. Sold by leading druggists. Always on hand at Nathan Fullerton's.—(Adv.)

me. When we came to Long Beach last November I had such severe rheumatic pains at times that I could hardly get about, and I'd been suffering with indigestion for 10 years. My nerves were in wretched state and I was nearly always bilious and constipated. Four bottles of Sargon brought me wonderful relief! My rheumatic pains have entirely disappeared, my nervousness is fast leaving me and my digestion is perfect.

"Sargon Pills are wonderful! They have stimulated my liver to regular action, relieved me of biliousness, and for the first time in years I'm not troubled with constipation."—Mrs. Nellie L. Lent, 1428 Bixby road, Long Beach, Calif.

LEA'S TONIC IMPROVED MY HAIR WONDERFULLY SHE SAYS
Hair Was Thin—Falling Out Badly—Scalp Was Dry, Also Dandruff
TELLS HOW SHE GAINED BACK BEAUTIFUL HAIR

"My scalp was dry and falling hair dandruff worried me. In fact I was almost bald, my hair was so thin until the lucky day I found a Godsend in Lea's Hair Tonic at the drug store. I cannot praise Lea's enough. I had already used most every kind of tonic that came to my notice but to no avail so you can imagine how delighted I am with Lea's. I began using it just about one year ago and now my hair is thick, glossy full of life and really beautiful I think and friends say so too. I have used in all perhaps twenty-five bottles, but it enhanced my appearance so much I continue to use it and probably always will, every now and then, to keep my scalp and hair in perfect condition. I beg of those who have hair or scalp trouble to give Lea's Hair Tonic a thorough trial. They positively will not be disappointed, I swear it," declared Mrs. Nellie Gerne, 327 Westmont Ave. Westmont, N. J.

People troubled like Mrs. Gerne can easily prove to themselves at home at little expense, how much younger, neater and more presentable they look when the hair is in perfect shape. Even when the hair has turned gray, dead—looking or streaked, Lea's Tonic after a few weeks use puts all those gray hairs right back to a youthful shade. It seems to put nature back on the job growing a full head of vigorous, even colored, healthy hair.
