SWIMMING, boating, fishing, golf and other outdoor sports make Roseburg an ideal spot for spending the summer months. Many city dwellers have summer cabins on the rivers, and these cabins will see many delightful affairs during the warm months. The well known swimming holes and picnic grounds are being crowded, too, now that the hot summer days have come.

The Roseburg Country club attracts its number of pleasure-seekers, and many cars wind over the highway to the club grounds in the evening and on holidays, where golfers seeking pleasant recreation. For those who have only a short time to devote to the game, the midday courses just opening in the city are a diversion.

With many Roseburg folk enjoying vacations at the popular beaches in California and at Crater and Diamond lakes, and with many others entertaining out-of-town guests, these weeks see very little activity in social circles. The summer weeks are vacation weeks for everybody, and after the feverish activity of the spring months, society folk are enjoying an interval of rest.

A charming bride-elect, who has been the center of several entertaining affairs during the week, was Miss Hazel Patterson, daughter of Mr. and Mrs. J. R. Patterson, of this city, whose marriage to Wesley Williams of Dillard took place today.

The couple stood beneath an arch covered with massed sweet peas in pastel shades during the ceremony. Sweet peas and gladiolus were prominent among the many flowers which gave a summer-time atmosphere to the rooms.

The bride was charming in a frock of beige crepe, trimmed with French flowers, and cut with a graceful, full-length jabot in front, and with jabots from elbow to wrist on the sleeves. Blouse slippers and hose completed the costume. She carried a shower bouquet of sweet peas and rosebuds.

A reception for the guests was held following the ceremony. The couple left for a week or ten days in Portland and Seattle. On their return they will be at home to their many friends at Melrose.
