BUTCHERS, BAKERS AND GROCERS WILL FROLIC AT BANDON

BANDON, July 16.—The butchers, bakers and grocers of Coos county have decided to hold their annual picnic at Bandon by the sea this year on Thursday, July 17.

A good time is in store for these merchants at Bandon because of the natural forms of entertainment offered here. Manager Topping of the Silver Spray gardens has arranged for an afternoon dance which will aid in amusement for the guests. The dance will be held from 4 to 6 Thursday afternoon.

The golf course, Wecoma baths and the beach will be open to these visitors, too.

The merchants will gather at the city park for the big feeds which are always common at a gathering of this sort. A big baseball game between the grocers and the butchers and bakers combined will be the big attraction of the day.

HOLE IN JETTY AT MOUTH OF COQUILLE TO BE REPAIRED

BANDON, July 16.—Work has begun under the supervision of District Engineer Bidwell of the U. S. engineers for the repairing of the hole in the north jetty west of the lighthouse, maintenance funds being used for the work. A Erickson of Bandon has charge of the construction work and is now building a form for concrete. The hole is to be filled with concrete. A mixer and other equipment has arrived. The Santa Cruz Cement company of Portland received the contract from the government to furnish 200 barrels of cement. This is to be shipped from San Francisco and will come by boat. The rock and gravel to be used in the concrete will be barged across the river from the Erickson bunks on the south side of the river.

The hole in the north jetty has caused much sand to be washed into the channel on the bar and is believed to be the cause of some of the shoals at times just outside the bar. It is believed that good results will be obtained from the repair and that it may demonstrate the value of restoring the entire north jetty in order to secure and hold the new 16-foot depth provided for in the recent appropriation.

NEW MINING WORK IN STATE PREDICTED

(Associated Press Leased Wire)

GRANTS PASS, Ore., July 15.—Extensive development of chromite, copper and lime deposits in Oregon was forecast here today at the opening of the mid-Pacific empire mineral economic conference, attended by 200 miners and engineers. This development, the delegates were told, would result from the opening of water transportation for southern Oregon and northern California through the port of Crescent City. The conference is considering mining especially in its relation to transportation.

LIGHT HOUSE ROAD AT WINCHESTER BAY COMPLETED

(News-Review Douglas County Special)

WINCHESTER BAY, July 16.—Grading of the county's section of the road from Winchester Bay to the Umpqua lighthouse has been completed. The road is 1,775 feet in length and the grading was done at a cost of \$2,997, by Contractors W. M. Puckett and Del Weatherly. The road passes through a heavy body of timber and affords access to the beach. The government is to build an additional section of 2,000 feet to the lighthouse.

TO TAKE AUTO TRIP

County Treasurer and Mrs. James Sawyers, accompanied by Mr. and Mrs. Charles Tye, who are visiting from Vallejo, California, and Mrs. Frank Pierce of Portland will leave tomorrow morning on an auto trip to Crater lake, Crescent City, Bandon and Marshfield. They will arrive in Marshfield Sunday, where Mr. Sawyers will play in the golf tournament. Stanley Kidder is to be in charge of the treasurer's office during the absence of Mr. and Mrs. Sawyers.

FISHERMEN ARE HAVING GOOD LUCK ON NORTH UMPQUA

(News-Review Douglas County Special)
IDLEYLD PARK, July 16.—Fishing conditions are holding up well on the North Umpqua and some

very fine catches have been made. Lawrence Kiesel and Harry Lohr made limit catches Sunday, using flies. The steelheads are running and good catches are reported every day. The crawfish are shedding their shells now and are making fine bait for steelhead and cut-throat trout. The best flies are brown hackle with bronze body, royal coachman and gray hackle.
