What you practice in making custard is always practiced in roasting HILLS BROS COFFEE

CUSTARD BAKED in small dishes cooks more evenly than when cooked in large pans. Since Hills Bros. roast their coffee a few pounds at a time instead of in bulk, every berry is roasted evenly. This continuous process—Controlled Roasting—produces a flavor no other coffee has.

Attractions AT THE MOVIES

ANTLERS—Today, "The Vagabond King," with Dennis King and Jeanette Macdonald; today and Saturday, "Young Eagles," with Buddy Rogers, exclusive pictures of Sharkey-Schmeling championship fight.

MODERN knight-errantry is the basis for Paramount's latest Charles (Buddy) Rogers' adventure-romance, "Young Eagles," which will show at the Antlers theatre today and Saturday.

During the World War, a spirit of comradeship existed between the fighting forces of both sides which was absent between the fighting units on land, where men moved in regiments. In the air, the warriors, engaged in individual combat, came to know each other and to observe certain gestures of chivalry between fighting hours.

"Young Eagles," although romantic, is reminiscent of many facts that came to light during the course of the war. Such herofic flying men as Sir Alan Cobham, British ace; Captain George Gurney, of France; Eddie Rickenbacker and Hobe Baker of the United States; Immelman and Von Richthofen of Germany, and Brown of Canada respected a clearly defined code of honor, a fighting code, that made it impossible to take unfair advantage of one another in their duels to death in the sky.

In "Young Eagles," this admiration, which amounted almost to friendship, is shown between Rogers as an American pilot, and Paul Lukas, an enemy ace. William Wellman, the man who directed the air epic "Wings," directed "Young Eagles," and William Slavens McNutt, the Colliers, Saturday Evening Post writer, who, as a special war correspondent for Colliers was with the American forces during their entire stay in France, incorporated his knowledge into the story.

ACTUAL pictures of the Sharkey-Schmeling world's championship heavyweight fight will be shown in connection with the current Antlers theatre program. The round-by-round pictures are said to be particularly distinct, with all details of the match fully shown.
