ANTLERS—Today and Thursday, "Sarah and Son," with Ruth Chatterton; Friday and Saturday, Bebe Daniels in "Alias French Gertie."

THE powerful dramatic ability of Ruth Chatterton, displayed so successfully in "Charming Sinners," "The Laughing Lady" and "Madame X" will be again brought forward for the delectation of her numerous admirers when the Antlers theatre shows her newest film, "Sarah and Son" for two days.

"Sarah and Son" is the story of an impoverished actress who is forced to give up her baby boy that she might work and live. On becoming famous she tries to retrieve the lad but encounters intrigue upon the part of the wealthy couple who have adopted her child. The manner in which she accomplishes her courageous purpose forms the climax of the picture. It is tense and breath-taking—but it is one which leaves an audience in a happy glow of good spirits.

Freddie March is cast opposite Miss Chatterton. He plays the part of the young lawyer who falls in love with her and tries to help her retrieve her young son, played by Philippe de Lacy. There is an abundance of splendid character-portrayal in the picture.

Timothy Shea wrote the original novel upon which the screen story is based. Zoe Akins, renowned American woman poet and playwright, wrote the adaptation from the novel. The picture was directed by Dorothy Arzner, Paramount's only woman director.

CUBS WIN FROM ROBINS IN ELEVEN INNING STRUGGLE

Vance Weakens in Pitching Duel with Blake—Two Games Captured by the Mackmen.

By HUGH S. FULLERTON Jr., Associated Press Sports Writer

The opening yesterday of the "crucial" National League series between the Chicago Cubs and Brooklyn fulfilled all advance hopes in thrills. A pitching duel between Fred Blake and Dazzy Vance, highly productive of hits but not of runs, lasted eleven innings before Chicago gained a 3-2 victory and increased its lead to a three-inning error.

Two first inning errors by Flowers gave the Cubs two runs and forced Brooklyn into an unsuccessful uphill battle in its efforts to regain the lead. It was not until the eleventh the Cubs were able to launch enough hits off Vance to score the odd run.

With New York and Cincinnati idle, the Pittsburgh Pirates registered the big gain in the lower part of the National League standing and the St. Louis Cardinals made a lesser one. The Pirates downed the Phillies in a doubleheader. They had to go 14 innings to win the first game 8 to 7, scoring two runs in their half of the inning on

three hits after the Phillies had forged ahead, but the second game produced an easy 8 to 3 victory as Glenn Spencer allowed Philadelphia only five hits.

St. Louis, although outthit 10-8, made good use of its hits to defeat Boston 4 to 2. Another Boston-St. Louis clash went the other way as the Red Sox gained a 5 to 4 decision over the Browns on the strength of Bob Reeves' single with two out in the ninth.

Babe Ruth Stars

The Yankees stopped Detroit for a while yesterday but only after Babe Ruth had put on a great performance to win a 6 to 5 decision in a close battle. The Babe clouted his 43rd homer in the third inning with his mascot, Jimmy Reese, on a base to climax a big Yankee rally, then drove in the winning run in the ninth at the highly crucial moment when there were two out and two strikes on him.

With Mose Grove and Bill Shores pitching a pair of good games, the Athletics twice trounced Cleveland by 9 to 1 and 7 to 0. Washington held second place a game ahead by Flowers gave the Cubs two runs and forced Brooklyn into an unsuccessful uphill battle in its efforts to regain the lead. It was not until the eleventh the Cubs were able to launch enough hits off Vance to score the odd run.

FAST SUCCESS STORY NO. 9
RAMON NOVARRO

His Spanish forebears conquered Mexico... won the country in ten brief years. But Ramon alone conquered America, conquered Europe, and all points east... in scarcely more than a camera's flicker. For Ramon gave the world a thrill!

And that's the tale of another young conqueror, OLD GOLD cigarettes. New England surrendered in just two months. "You win, OLD GOLD!" said the Middle West. From coast-to-coast the victory spread. And OLD GOLD in just one year became the country's fastest growing cigarette. OLD GOLD, like Novarro, offered the world a brand new thrill. Finer tobaccos gave a mellow taste. Better tobaccos ended throat-scratch.
