Air hasn't a chance to destroy the fresh flavor of HILLS BROS COFFEE

The vacuum-packing process used by Hills Bros. removes all the air from the can and keeps it out. In so-called air-tight tins coffee invariably loses its flavor, because there is air inside the can. The vacuum pack keeps Hills Bros. Coffee fresh. The can is easily opened with the key.

Controlled Roasting gives Hills Bros. Coffee a flavor no other coffee has.

"CAPTAIN OF THE GUARDS"

By ROGER DICK
Now showing at the Antlers theatre is another John Boles' triumph. This great star makes any picture in which he is appearing worth while seeing and his latest release proves no exception. A truly magnificent voice has Boles, and he has many opportunities to use it in this film.
The story deals with events leading to the French revolution and with the writing of the great song, "La Marseillaise." Rouget de Lisle, the composer of this immortal piece is played by John Boles, while gentle Marie who later becomes the flaming "Torch" of the revolutionary armies is superbly handled by Laura La Plante. Sam de Grassie is convincing as the treacherous Babin, and other important parts are well taken care of by James Marcus, Lionel Belmont, and Stuart Holmes.

THEY GAVE A new Thrill

THAT'S WHY THEY GOT THERE... SO QUICKLY

UNKNOWN THREE YEARS AGO—TODAY, RIP GETS THE BIGGEST FAN-MAIL OF ANYONE WHO HAS EVER LIVED. 1,000,000 LETTERS A YEAR, "BELIEVE IT OR NOT!"

FAST SUCCESS STORY NO. 10
ROBERT L. RIPLEY

Believe it or not... Rip's own success story is even more amazing than the astonishing facts he puts in his cartoons. Three years ago... unknown. Today... 20,000,000 readers look for his drawings. Ripley clipped all time records in his quick rise to overwhelming popularity... because he gave a new thrill. And that's OLD GOLD's story too.

When O.G. first said "Not a cough in a carload," the skeptics scoffed. But coughers and scoffers alike were converted. Like Ripley, OLD GOLD proved its facts. Better tobaccos gave better taste. Mel-lower tobaccos gave throat-ease.

Believe it or not... OLD GOLD will win you... just as Ripley did.
