ATHLETICS NEAR ANOTHER AMERICAN LEAGUE PENNANT

Little Chance for Them to Be Passed; Three Teams Bunched for Flag in National.

By HUGH S. FULLETON Jr. (Associated Press Sports Writer) While the National league pennant race goes merrily on without setting very near to a decision, the Philadelphia fans are about ready to hear the news that the Athletics have clinched the American league title for another year.

It will require an amazing winning streak on the part of the Washington Senators or the New York Yankees, combined with a wholly unexpected slump on the part of the A's, to keep the world's champions from capturing another American league flag. After yesterday's 10 to 6 victory over Detroit the Athletics had only 31 games left to play and a margin of 8 1/2 games over Washington. If Philadelphia slumps so far as to lose half of its remaining contests, winding up the season with 98 victories and 55 defeats, Washington must win 25 of its remaining 34 games to tie, while the Yankees now ten games behind, could lose only seven of 33 games.

Grove Wins 21st The Senators continued their chase yesterday by trouncing the St. Louis Browns, 14 to 4, scoring a ten-run burst in the fifth inning which went a long way toward avenging the indignities suffered in St. Louis, but Washington's 18 hit assault brought no gain while the Athletics were giving Bob Grove his usual backing. Grove did some ragged hurling as he won his eighth straight game and his 21st victory of the season but he was presented with a seven-run lead before the Tigers started to score. The other American league clubs had a day of scheduled idleness.

Robins Lose Twice

The leaders of the National league were joined in grief yesterday as all three succumbed to their rivals of lower rank in the standings. Cincinnati's pitching proved better than Brooklyn's in two close duels, both being decided by 2 to 1 scores.

The last-place Phillies evidently were destined to win their twelfth game with the champion Chicago Cubs although it required three days of effort to give them a 10 to 5 decision. Five four baggers played the important part in deciding the dispute, although the Phillies gave away four runs in the first inning and were outlasted 17-13.

A single homer and a wild pitch by Fred Fitzsimmons were about enough for the St. Louis Cardinals as they downed the New York Giants, 5 to 4. Pinch batsman George Fisher made a four-bag club for three runs while the wild throw by the Giant pitcher allowed the tying run to score. Out of the pennant race Pittsburgh gained a triumph of its own by shutting out the Boston Braves, 5 to 0, and

British Peer Seeks Liquor Substitute

ANGELS CROWDING STARS FOR LEAD OF COAST LEAGUERS

By the Associated Press. A crowd of 12,500 persons last night saw the Hollywood Stars, leaders of the Pacific Coast league, defeat Oakland 6 to 4 to maintain their top position. Today, with the series evened, the Stars and Oaks were to get down to serious baseball, for if Hollywood loses and Los Angeles wins, the Stars will be tied for top by the Angels.

Los Angeles, only one game behind, stepped on Portland again and administered a 10 to 2 beating to the Ducks. Four Portland pitchers failed to stop the Angels' rush. The southern club, playing on its home grounds, has won both games of this week's series and is pounding the heels of the Stars.

Another drubbing was received by the Seattle Indians, fallers in the league, San Francisco defeated the lowly Braves 15 to 7 at San Francisco yesterday. Both Crossett and Oama hit homers for the Seals.

The Sacramento Senators, playing at home, white-washed the San Francisco Missions, 7 to 0, and thereby evened the series. Fay Thoms allowed the Missions but three hits.

PUBLIC HEARINGS SLATED ON NORTH UMPQUA FILINGS

By MARSHALL N. DANA (Special Salem, Oregon, correspondent of the Portland, Oregon, Journal.)

The power situation has changed completely in Oregon. Opportunity has been created to present the public interest in connection with applications for leases on almost 700,000 stream horsepower with plants to cost nearly \$65,000,000.

From Salem, State Engineer Rhea Luper announced that he would hold public hearings on all of the unprecedented number of applications for control of Oregon's power rivers.

His action was in response to a demand of Governor Norblad.

Hearings will be held in about a month, the state engineer said.

These will include the applications of the California-Oregon Power company to develop more than 300,000 horsepower on the Klamath and Umpqua rivers at a cost in excess of \$50,000,000. Two special questions of policy are involved:

1. Should one utility be given virtual monopoly of southern Oregon power? The Cocon organization now controls the upper Rogue and would, with grant of pending applications, completely control the Klamath and Umpqua rivers for power purposes.

2. Should power generated from Oregon rivers be sold across state lines without large increase of license revenue to the state? The California Oregon Power company now wholesales large blocks of Oregon power in California. Its principal market for the additional power would be around San Francisco bay, it is said. The company's pending applications cover nearly 100,000 hydro-electric horsepower more than is now generated in the whole of Oregon.

CHINESE TROOPS SLAUGHTER 4000 OF COMMUNIST HORDE

(Associated Press Leased Wire) HANKOW, Aug. 21.—Slaughter of 4,000 communists by provincial troops in western Kiangsi province and the capture of 2,000 red rifles there was reported today in Chinese press dispatches.

This apparently is virtually the first crushing defeat administered to the red maneuver who have been murdering, looting and burning throughout the Yangtze valley for several weeks.

News of the provincial victory followed closely word of the burning of Wusueh, Hupoh province, by communists who looted the city of 4,000 population and ransacked the countryside. Wusueh is an important Yangtze river port 25 miles above Kiuksiang, Kiangsi.

Fearing for their lives, inhabitants of Wusueh abandoned their property virtually without protest and fled, many going to Kiuksiang, where foreign gunboats were anchored.

Communist armies late last month, sacked and destroyed large sections of Changsha, Hunan province capital. Later they threatened Hankow, Wuchang and Hanyang, sister cities 600 miles up the Yangtze from the sea. However, the reds apparently were frightened away by foreign warships which were rushed to Hankow by American, British and Japanese governments.

Since then the communists have ravaged smaller places, avoiding cities where the national government has concentrated small bodies of troops withdrawn from Honan and Shantung provinces fronts where the government is seeking to stem the northern alliance rebellion.

Hampered by torrential rains, the civil war itself has lagged.

Although the issue still is undecided, the government apparently has the advantage. The rebels have made their stand recently on the border of Chihli province, where they were driven after evacuating Tsinan, on the opposite side of the Yellow river.

YOUNG SCHNEIDER AFTER NEW MARK

(Associated Press Leased Wire) MUNICIPAL AIRPORT, Los Angeles, Aug. 21.—Eddie Schneider, newly crowned east-west junior transcontinental speed king, took off today for Albuquerque, N. M., in an effort to establish a new west-coast junior transcontinental air record. Schneider recently flew from West Field, N. J., to Los Angeles in 28 hours 55 minutes, bettering the record of 24 hours 3 minutes, set last spring by Frank Goldsborough.
