Over 7,500 cigar factories are registered by the U. S. Government. Over 7,400 of these hand-roll cigars, producing 50 percent of the output. Every hand-rolled cigar—made by American Cigar Co. or anyone else—is subject to the possible danger of "spit-tipping." Certified Cremo is absolutely free from spit-tipping—No Cremo is made by hand.

The choicest, tenderest leaves that the crop affords are scientifically treated by methods recommended by the United States Department of Agriculture. Certified Cremo's purity is safeguarded along every step of the way by amazing inventions that bind, roll, wrap and tip the cigars!

Endorsed by Nurse

"Just a few words of praise of your medicine. Nothing gave me relief and health as Lydia E. Pinkham's Vegetable Compound did. I am a practical nurse and was so rundown that I was unable to work. I used to suffer agonies at times and would have to lie down the biggest part of the day. After two bottles of Vegetable Compound I felt better. Now I have used ten bottles and feel fine. I recommend it to many of my patients."—Mrs. Florence Johnson, R. R. #3, Chetopa, Kansas.
