Sensational values now to be given the people of Roseburg and vicinity. Meet hard times with our sensational bargains. We'll play ball until the cows come home this Fall—Read our statement below.

Extra!

IMPORTANT-READ!

Carefully about how we came into Roseburg one year ago this month.

"Duds for Men Clothing Store" failed to meet obligations—we bought it out from creditors at a few cents on the dollar—took a five year lease. We're hot after business, not a chain store—a real local Oregon products boosting co-operative bunch. All our Dough-Ray-Me in our business around here in a few stores—we happen to have some of the big 4-flushing mergers licked and with a little ready cash can do our stuff—so here's to you—no profits right now—mind you, but let's do a little PROFITABLE BUSINESS and leave the big chain boys out.

THEY WONDER HOW WE DO IT

This is no one man outfit—all our boys have an interest and dough in the business—our confidence, pep, and experience keep us together—all for one—one for all. So we got together and bought this big merger stock just to play ball and keep things going.
