TRADE IN YOUR OLD TIRES

We Will ALLOW You MORE

TRADE IN YOUR USED TIRES NOW.
We will make you a liberal trade-in allowance—on one tire or a full set. If your tires are worn smooth they are worth money to us, as we have an up-to-date tire repair department and can apply a new tread, and we have a ready sale for these tires. If your tires are only partly worn, or if they are new and do not provide you with the safety that you want for the wet and slippery weather this fall and winter, we will give you still more for your tires in trade for new Firestone tires.

Why take chances on tires that are not safe—you can have the safety that race drivers demand—at the lowest cost ever known.

We are in the tire business—we know tires and tire values, and give you better service and lower transportation cost.

SAFETY and ECONOMY That Is NOT DUPLICATED at THESE PRICES

THE tire buying public is entitled to the truth about tire values. We joined with Firestone to give car owners the facts. When we sell you a tire we not only sell you the most economical transportation but greatest safety.

A DEPARTMENT STORE FOR MOTORISTS

WE SELL AND SERVICE the complete line of Firestone Tires, Tubes, Batteries, Brake Lining, Rims, and Accessories—also Gasoline, Oils, and Lubrication. This means we buy higher quality products at lower cost and pass these savings on to you in lower cost transportation per mile and more efficient service.

DOUBLE GUARANTEE

Every tire made in the Firestone Factories, carries the Firestone name. You are doubly protected in buying these tires from us, carrying the Firestone unlimited guarantee and ours.

★ A "Mail Order" or "Special Brand" tire is made by some unknown manufacturer and sold under a name that does not identify him to the public, usually because he builds his "first grade" tires under his own name.

your home at low cost

The MONTAG Circulator Heater

Here's the ideal heating plant for the western home! Set up as a handsome piece of furniture in the living or any centrally-located room, the Montag Circulator heats the entire house with a pleasing economy of fuel. Its first cost is considerably less than a furnace installation and it saves running up and down steps. The Montag Circulator is built for western fuels and western climatic conditions. It burns either wood or coal; a long, oval firepot insures perfect combustion. You'll be comfortable with a Montag. Come into our store and see it.
