

# CHAIN STORE IDEA LAUDED IN SPEECH BY J. C. PENNEY

(Associated Press Leased Wire)  
 CHICAGO, Sept. 30.—The "community-mindedness of chain stores" was a point J. C. Penney, founder of the J. C. Penney company, sought to emphasize to the national chain store convention delegates today.

Chain stores, he declared, succeed in proportion to the extent to which they identify themselves with community interests.

"No business can reach its highest development in any locality unless it is community-minded," he said.

"American people are keenly sensitive to local activities. We are a race of joiners. The combination of joiner spirit with good common sense has brought increased sales volume to chain stores."

Penney said the chain store fulfills one of the obligations in citizenship when it "places the stamp of business approval on a community by selecting it for a location."

Kenneth Ken, Portland, and Chuck Borden, Eugene, went six rounds to a draw.

**YOUNG CORBETT III BEATS SAM JACKSON**  
 (Associated Press Leased Wire)  
 LOS ANGELES, Oct. 1.—The uncrowned king of the welterweights, Young Corbett III, had another hard earned victory credit as a result of a rousing fight last night with Santa Monica's negro battler, Sammy Jackson, before a crowd of 11,000.

The Fresno southpaw rallied in the late rounds after his less experienced opponent had held him practically even during the opening stanzas of the ten round bout, to win handily by the effective delivery of his portside volleys to Jackson's head.

Fraser, Portello Draw  
 SEATTLE, Oct. 1.—After a slow start, Don Fraser, Spokane welterweight, came back to gain a draw with Tony Portello, Seattle, in a six round boxing bout here last night.

Portello won the first two rounds and knocked Fraser groggy in the second but the Spokane printer came back with a vicious attack in the third that rocked the former Los Angeles Mexican.

Young Sam Langford, Seattle welterweight, won a decision over Joey Kaufman, Buffalo, N. Y., in the six round semi-final.

**STARS BEAT OAKS; DUCKS TRIM ANGELS**  
 By the Associated Press.  
 It was a cold night in Hollywood last night, and a small crowd watched the Stars walloo Oakland, 10 to 2 in the series opener. The Stars took advantage of Pete Daglia's wildness.

Another small crowd saw Sacramento whitewash the Mission Reds at San Francisco, 5 to 0. The weather was threatening, and the crowd just didn't come.

Behind the steady pitching of Rudy Kallio, the Seattle Indians defeated the Seals, 5 to 1. The Indians touched Elmer Jacobs for ten hits. Cox, Seattle catcher, scored the winning run in the eleventh inning when two men were out.

Portland won, 6 to 5, over Los Angeles in a hard fought game. Beck, hurling for Portland, was touched for 11 hits, while the Ducks made only eight off Baecht and Delaney. The winning run was scored in the seventh by Mazza who had singled, went to second on a sacrifice and scored on a single by Cramer.

**RUINS OF ANCIENT ROMAN CITY FOUND IN NORTH AFRICA**  
 ALGIERS, Algeria, Sept. 30.—Another Roman city rivaling in importance and in beauty Timagad, the African Pompeii discovered in 1875, is being uncovered in the de-Lambese city, founded by veterans on a short distance from Batna.

The ruins cover 122 acres and have a forum which spreads out over 21,500 square feet. The Timagad ruins cover but 99 acres. The Tambeuse city, founded by veterans of Augustus' Third legion, who were stationed in the region, contains two triumphal arches well preserved and two large necropolises with ornamental monuments for the dead.

Lambese was situated in the center of a fertile region when Augustus quartered his soldiers there, but since then the territory became marshy and natives avoided it.

**INJURY TO ASPIT BLOW TO TROJANS**  
 (Associated Press Leased Wire)  
 LOS ANGELES, Cal., Oct. 1.—That bugaboo of all football coaches — injuries — today had struck the University of Southern California for the second time in a week. Marger Aspit, one of Troy's best offensive halfbacks, was the victim, going to the hospital yesterday when a leg injury suffered Saturday in the game with the University of California at Los Angeles took a turn for the worse.

Aspit understudied Harry Edegon last year and was being groomed for a place as one of the main cogs in S. C.'s power plays. He will be out of the game with Oregon State next Saturday and probably also will miss the Washington State contest the following week. George Kirkwood, sophomore, is expected to take Aspit's place.

Last week Tony Jurich, second string end, suffered a broken leg and will be out for the season probably.

# Today's the day to switch to Winter Super Union

Now our gasoline is 26% quicker starting with **No Loss of Mileage**

Get it wherever you see the Blue and White UNION pumps

**BEGINNING** today the UNION OIL COMPANY offers you the finest winter gasoline within the reach of science.

It meets every demand of a winter fuel.

First—WINTER Super UNION is 26% quicker starting than the average of other gasolines. Tests in the laboratory—on the block—and in the ice chamber of a great ice plant, prove this.

Next, it gives you instant acceleration, on hills, in traffic, or on the boulevard—in low, intermediate or high gear.

Third—special attention has been given to reduce disagreeable odors sometimes noticed at high speeds. This is important to you in winter when the car is often entirely closed—especially so if rings are worn considerably.

Also, WINTER Super UNION overcomes the slow speed bucking that you've noticed in other so-called Winter fuels. The secret is a special refining process.

Yet all these advantages have been obtained with no loss of mileage. The same high heat unit content that accounts for the extra mileage of previous Union Gasolines is fully retained in this Winter Super fuel.

**Switch NOW!**

Early mornings and late evenings are getting chilly. Winter has sounded its warning blast. Heed it by switching NOW to WINTER Super UNION—the Gasoline that gives you 26% quicker starting without loss of mileage.

Get it wherever you see the blue and white UNION pumps.

(NOTE: Now Super Union-Ethyl is WINTER Super UNION plus the proved anti-knock advantages of ETHYL.)
