SHELTON D. MOORE DIES IN 85TH YEAR

Shelton D. Moore, 85, a resident of the Calapooia valley for the past 20 years, passed away in Portland last Monday evening. He was born in Gresham, Ore., May 4, 1845, and on July 4, 1878, was married to Harriet Dittmar in Kirby, Ore. He is survived by his widow and the following children: Fred A. Moore, Central Point, Ore.; Chester A. Jacksonville; Ralph W. Wilbur; Mrs. Nellie Loy, Gerber, Calif.; Miss Lulu W. Moore, Corvallis; Mrs. Eugene F. Cannon, Seattle, Wash.; Archie G. Moore, Sutherlin; Mrs. Jas. T. Steele, Portland; Mrs. Charles F. Becker, Corvallis; Halbert C. Moore, San Diego, Calif.

Mr. Moore was a well known resident of Oakland and vicinity and had lived in Grants Pass for several years before coming to this county. Services will be held in the community church of Oakland next Thursday at 4:30 p. m., Rev. Thomas Robinson officiating. Interment will take place in the L. O. O. F. cemetery of Grants Pass, Friday at 1 p. m. Arrangements are in care of H. C. Stearns of the Douglas Funeral home.

PSYCHOLOGY CLASS WILL START HERE

A course in psychology is to be offered in Roseburg by the University of Oregon extension service. Persons taking this course will be entitled to university credit for the work done, according to W. M. Campbell, city superintendent of schools, who announces that a meeting will be held Thursday at 7:15 p. m. at the Junior high school, where arrangements will be made for the class.

The class is designed largely for

"A WONDERFUL HELP TO ME"

Read What Mrs. Arnold Says About Lydia E. Pinkham's Vegetable Compound

Dothan, Ala.—"What a wonderful help Lydia E. Pinkham's Vegetable Compound has been to me. I was so nervous and rundown I couldn't be up half the time. When I had taken one bottle of Vegetable Compound I could tell I felt better, so I took seven bottles and I recommend it highly. It helped my nerves and keeps me strong to do my housework and wait on four little children. I hope some other suffering woman will try it."

school teachers, and a large number are planning to take the course, but any other persons interested are invited to attend. It is desired to have at least 20 members in the class, which is to be conducted by Miss Celia Hager.

Those interested in taking this work are requested to attend the meeting Thursday night, Mr. Campbell states, and at that time the plan will be outlined and the course of study discussed. A small tuition, amounting to only a few dollars, will be charged to pay the expense of the class.

SENIOR HI DRILLS FOR COQUILLE GAME

Coach Hod Turner is giving the senior high school football team plenty of hard work this week in preparation for Saturday's game at Coquille. The team has had only one game so far this year and will go up against the rugged and seasoned coast team without sufficient scrimmage to bring about the desired development. The Coquille game is expected to be one of the hardest contests of the season.

The team displayed several weak spots in the game with Junction City here last week, and the coach has been trying hard to overcome these before meeting Coquille. The team will go to Coquille early Saturday morning, and it is expected that a number of local fans will also make the trip.

Winston Visitors in Town—Mrs. G. J. Bacher and daughter, Miss Helen, and Miss Norma Winston, all residents of Winston, spent Tuesday afternoon in this city visiting friends and shopping.

PHIL PHILLIPS TO TEACH MECHANICS IN NIGHT SCHOOL

Phil Phillips, service manager of the Hansen Chevrolet company, has been selected as instructor for the night school in auto mechanics. Mr. Phillips is very well qualified to handle this work, having had 18 years experience in the automobile industry. His experience varies from mechanic helper to mechanic, endurance driver, general mechanic in assembly line, shop foreman, and service manager. Mr. Phillips also holds a master mechanics certificate from the General Motors company.

His first entrance into the automobile world was with the Hudson and Essex Motor company at Detroit. He has also worked with "Cannon Ball" Baker as co-pilot on endurance runs for the Rickenbacker Motor company. For the past four years Mr. Phillips has been affiliated with the General Motors company.

In handling night school classes for auto mechanics Mr. Phillips has also had experience, having given courses at Brown high school in Dallas, Texas, and also at Lincoln high school in Los Angeles, Calif. These classes were not for the high school student but for the auto mechanics themselves.

The auto mechanics of Roseburg are very fortunate in being able to have a man of such wide experience to handle the instruction in the night school. The local school board and Superintendent W. M. Campbell feel that the course in auto mechanics will be very capably handled by Mr. Phillips.

The outline of the course is practically completed except for a few minor changes, according to Kenneth Beach, who is helping to organize the course. The course will be announced in the near future with full details as to cost and registration.

AND CAMELS are easy to smoke. Here's smoke with joy in it—a light-hearted cigarette—merry and mild. Don't confuse Camel's mellow mildness with mere flatness or lack of flavor. Every bit of delicate aroma in Camel's naturally mild, sun-mellowed tobaccos is preserved by scientific care in manufacture—kept in Camels for you to enjoy. And you can smoke them all day with never a hint of throat discomfort.

Mild—not flat. Modern smokers are awake to that difference. They're swinging to Camels, and the mild fragrance of a cigarette made to be enjoyed.
