THAT'S ALL SHE DOES THINK OF ?

POEM FOR THE DAY

By LOUIS ALBERT BANKS

A MARVELOUS CHEST

Not long since, a wonderful chest appeared in a London sales auction. It was battered and scarred but the old hand-made brass nails were still sound. Probably no other chest on earth has such an illustrious history. It is the fully authenticated chest in which Captain Cook, the first world-wide explorer, carried the records of his famous journeys which added so much to human knowledge in the sciences of navigation, geography and astronomy. What a chest! And yet every man and woman has a greater chest than that.

We muse upon that wondrous chest Of that great man so long at rest; It wakes the thoughts we cannot quell; Romantic stories it could tell.

Of those old pioneering times In many lands and many climes, Of that quaint world when both were young, But then, alas! it has no tongue.

I know a chest that's far more strange In many ways of wider range; No moving picture ever made Has claim to such ethereal grade; It works away in any light, Can always keep its records bright; It never takes a holiday, Has no vacation for its play.

I mean our marvelous memory chest Which stores away with so much zest All things we hear or feel or see— No matter where our path may be— Not only what our hands may do Or trails our restless feet pursue, But what we think and what we dream, And all our curious minds may scheme.

Ah, there's a chest no gold could buy! We take it with us when we die; No mortal man could it describe; No wealth of earth that chest could bribe; It's with us all the way from youth, Will always tell the honest truth, And never—till we reach the sky— Will any know the reason why.

Dated this 2nd day of October, 1930.

HENRY B. COMPTON, Administrator of the estate of Henry B. Andrew, deceased.

HOW OLD ARE YOU?

Today Said She—I'm 43

Am I Fat?—Not Me

Yes! A year ago I had twenty-two more pounds of fat than I needed—I was fat—and very sensitive about it—but I say it is foolish for anyone to be overweight.

What did I do? Nothing very hard, I can assure you—I cut out pies—candy and all sweets—ate moderately and every morning before breakfast I took one-half teaspoonful of Kruschen Salts in a glass of hot water—never missed a morning.

I lost fat—gained in energy—vigor—charm—and vivaciousness and have a shapely figure. I am proud of—anyone can do the same.

A North Carolina woman lost 47 pounds in 3 months—a Montana woman lost 19 pounds in 4 weeks—Wisconsin woman 11 pounds in 6 weeks.

Nathan Fullerton, Chapman's drug store and every druggist in the world sells Kruschen Salts—a bottle that lasts 4 weeks—costs 53 cents—Adv.
