HAS A MOST IMPORTANT PART IN EVERY LARGE CONSTRUCTION PROGRAM.

HENCE, IT IS WITH PLEASURE THAT, AS ARCHITECTS, WE ACKNOWLEDGE OUR PART IN THE PREPARATION OF HUNT'S INDIAN THEATRE FOR THE PEOPLE OF ROSEBURG AND DOUGLAS COUNTY.

## We Are Pleased.....

Certainly we are pleased with the new Hunt's Indian theatre in Roseburg. We are pleased to know that here in Roseburg is a theatre second to none in the state of Oregon. To Mr. George Hunt we offer our congratulations for selecting the best equipment and furnishings money could buy. We believe that in this Mr. Hunt has signified his confidence in this fine community.

That we furnished much of the equipment gives us a sense of satisfaction. We supplied the carpets, draperies, lighting fixtures, Heywood-Wakefield chairs, stage draperies and all interior decorations.

The signs and box office equipment also were supplied through us. We believe that Roseburg theatre patrons will respond to the unusual beauty and comfort of the new Hunt's Indian theatre.
