# INDIAN THEATRE WINS PRAISE FROM CAPACITY THRONG

Hunt's Indian theatre opened last night before audiences which jammed to overflowing the new building. Patrons expressed admiration of the beauty of the decorations and appointments, many of them voicing the opinion that Roseburg now has as good a motion picture theatre as any city in the state.

The unique Indian design and color carried out in the building was probably the most impressive single feature. In no other city in the west is there a theatre which carries out the Indian motif as does the show house here. No expense was spared to make the Indian as good a theatre as possible.

Specially designed rugs which cover the foyer and the mezzanine lounge, as well as the aisles, is laid on a thick packing which gives the rug a soft, luxurious quality. New seats throughout won praise for their beauty and comfort. The improvement in the acoustic quality of the building was particularly noticeable. The beautiful big red silk plush curtain across the stage, with its drapings in friar's cloth, the handpainted hangings along each side of the auditorium, the large, drum type parchment lights and all the many other decorations gave the movie goers of Roseburg and vicinity a composite picture which gives the assurance that this city now has a theatre of quality.

The opening presentation, "Up the River," in its Pacific coast premier here, proved one of the smartest comedies to be produced since the advent of talkies. The same picture will be shown again tonight.

## PILES GO QUICK

Piles are caused by bad circulation of the blood in the lower bowel and a weakening of the parts. Only an internal medicine can remove the cause. That's why external remedies and cutting fail. Dr. Leonhardt's HEM-ROID, succeeds, because it relieves this congestion and strengthens the affected parts. Dr. Leonhardt's prescription has such a wonderful record for quick, safe and lasting relief even in chronic and stubborn case, that Chapman's Drug Store says try HEM-ROID at my expense. Your Pile suffering must end or money back.—Adv.

Yes: I'm forty-five today—built like a race horse, my friends say—and I know I feel 10 years younger than I did three months ago—and I'd like to tell you how much fat I lost with Kruschen.

I call Kruschen Salts the "magic salts" because when I was fat and wretched, despondent and half sick all the time it took only one bottle that I bought for 85 cents at Nathan Fullerton's, Chapman's, to liven me up—put ambition and energy into me—make me feel years younger and with the help of a change in diet show me how to lose the fat I was so ashamed of.

Cut out pastries and desserts—go easy on potatoes, cream, cheese, and butter—eat lean meat, chicken, fish, vegetables and fruits and never fail to take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast every morning.

Every drug store worthy of the name in the World sells Kruschen Salts—an 85 cent bottle lasts 4 weeks—not much to pay for buoyant health.—Adv.

Out to stay out—selling like hot cakes in Great Britain and now in America—the pleasant, easy way to get rid of corns—a joyous, refreshing, invigorating foot bath for 3 or 4 nights and then lift out the corn—roots and all.

They call this miracle worker Radox Bath Salts and since it has been working wonders with the bad feet of the tight little Isles—plasters and acids, cutting and skin destroying liquid belong to the dark ages.

It's the modern way—the sensible way to take out corns—to abolish callouses—to dissolve the hard skin from heels and toes and to put your feet in good vigorous condition so that you can walk and run and jump and dance with ease and pleasure.

Just ask for a box of Radox Bath Salts at Nathan Fullerton's or any modern drug store—you'll be delighted.—Adv.

## For Coughs Too Deep To Risk A Lesser Help

Creomulsion was made to deal with coughs from colds which hang on. A three-day cough is a danger signal. There the utmost should be done.

But a trifling cough may develop into something deep and difficult. Don't you think it wise to use the utmost help, even if a lesser help might do?

Creomulsion combines seven major helps in one. The seven best helps known to medical science. One is best for one type of cough, one for others. Nobody can tell in advance. So the best way seems to be to combine all in one prescription.

Creosote stands first. Here it is blended, emulsified and tasty. For soothing membranes and combating cold germs, the world knows nothing better.

But some coughs best yield to white pine tar, some to wild cherry bark, some to menthol, some to ipecac, etc. So we combine all these factors at their best in a single formula.

For some coughs Creomulsion is better than you need. One of its factors might do. But don't you feel safer when a minor cough is treated in the utmost way?

If so, get Creomulsion. It costs a little more than lesser helps—$1.25. But your druggist guarantees it. He returns your money if you are disappointed. You will feel safer in any cough if this master help combats it. Use it promptly.
