POSTAL SERVICE PLEDGES MORE JOBS

(Associated Press Leased Wire) WASHINGTON, Oct. 28.—Nearly a quarter of a million additional persons will be employed in the postal service during the Christmas holiday season under a plan devised by Postmaster General Brown to give the maximum of aid in relieving distress due to unemployment. Under the plan, the department expects to expend \$6,720,000 in this work. In addition to 224,000 temporary clerks, carriers and laborers, the department will employ 3,240 extra railway mail clerks, 1,000 additional helpers in the motor vehicle service and 250 auxiliary rural carriers. The breadwinners of destitute families will be given preference in the work. Under an executive order approved by the president and sent out today by the postmaster general, the civil service qualifications for the extra workers have been waived.

The Time is Limited Only a few days left to take advantage of this special offer on the New-type Thors WRINGERLESS WASHER

This new Wringerless Washer brings a new-found freedom for women. A way to do your washing that requires hardly any effort at all—and only two hours of your time on Monday! Think of it! Known to thousands of busy housewives as the fastest of speed-type washers. It is the only washer of its type by actual test that thoroughly cleanses shirt cuffs and collars in one washing without soaking. And cleanses with gentle kindness to clothes.

You Can Now Wash Your Clothes and Dry Them at the Same Time in THE SAME TUB

You extract the water from one batch of clothes while washing the next. By centrifugal force the water is extracted from the clothes and held in the extractor while another batch of clothes is being washed by the agitator at the bottom of the tub. It is acclaimed by all who see it, to be an amazing improvement over any wringerless washer ever developed. It is sensationally low priced.
