### DO YOU REALIZE

That it will mean the expenditure of \$2,000,000.00 in construction work, of which 60 per cent or \$1,200,000.00 will be paid for labor alone, and that will be spent in Roseburg.

### DO YOU REALIZE

That the Federal running expenses for this Home will approximate \$1,000,000.00 annually which money will be spent in Roseburg.

### DO YOU REALIZE

That it is anticipated that 4400 soldiers will be taken care of as soon as the Home is opened and that each one will receive an average of \$50.00 monthly pension or approximately \$220,000.00 per month which will be spent in Roseburg.

### DO YOU REALIZE

That from 600 to 800 persons will be given steady employment at the National Veterans' Home, all of them spending money in Roseburg.

### DO YOU REALIZE

That the soldiers will have parents, relatives, friends and family members generally estimated at 10 per cent of their number or 440, who will be here visiting them, all of whom will be spending money in Roseburg.

### DO YOU REALIZE

That this first construction unit is but a starter and that each year will see additional units that will far exceed this original plant, all circulating more money at Roseburg.

### DO YOU REALIZE

That not one cent of this bond money can be spent for any other purpose than in connection with the Veterans' Home and that if for any reason whatever, the Home is not located in Roseburg, then in that event the bonds are void and can not be used for any other purpose.

### DO YOU REALIZE

That only such a part of the bond issue will be used as is necessary—if, for example, \$25,000.00 will accomplish what we are after, then the remainder will not be touched. We are voting \$125,000.00 or such a part of it as is necessary.

### DO YOU REALIZE

That Attorneys B. L. Eddy, A. N. Orcutt, Carl Wimberly and Ira B. Riddle have passed upon all the legal points and procedure and their decisions and recommendations can be relied upon.

### DO YOU REALIZE

It is the biggest thing that has happened in the HISTORY OF ROSEBURG.

### DO YOU REALIZE

That it is well worth your while as a matter of business to spend all the time necessary to work for, to talk for and to vote for the passage of these bonds.

### DO YOU REALIZE

THAT THE DEFEAT OF THESE BONDS WILL BE FATAL TO THE VETERANS' HOME IN ROSEBURG . . . NO BONDS . . . NO HOME.
