# Snowdrift

Whatever the weather—hot or cold—in the ice box or in the warm kitchen *Snowdrift* is always easy to mix.

is creamy when you open the sealed pail and it is always creamy

YOU'LL like the freshness of Snowdrift. It comes to you as sweet and smooth as new cream. Special sealed pails keep it as fresh and creamy as the day it was made.

You'll like the way it blends too . . . the easy way it mixes with just a few quick stirs of the spoon. That's because Snowdrift is already creamed for you. And it stays creamed regardless of the weather. There are no seasons for goodness with Snowdrift.

The Wesson Oil people make Snowdrift from an oil as fine as a delicious salad oil . . . and nothing else . . . for their friends who want only the nicest things to eat.
