PILES

Ended Without Cutting or Salves

Thousands of Pile sufferers have learned that quick and permanent relief can only be accomplished with an internal medicine. Neither salves nor cutting remove the cause.

Had circulation of the blood in the lower body cut off. The veins are flabby, the bowel walls weak—the parts almost dead. To end Piles an internal medicine must be used to stimulate the circulation and strengthen the affected parts.

Dr. J. S. Leonard was the first to discover a real internal Pile remedy. He called his prescription HEM-ROID, and prescribed it for 1000 patients with the marvelous record of success in 988 cases. He then decided every Pile sufferer should be able to get HEM-ROID from their own druggist with a rigid money-back guarantee.
