ALUMNI QUINTET TO PLAY AT HIGH SCHOOL

The Roseburg senior high school basketball team will play its first game of the season Friday night, meeting a team composed of former high school players. The alumni team will be made up of Argus Fisher, Ira Hall, Elmer Robertson, George Churchill, Raymond and Maynard Bell, Lynn Beckley, Walby Rapp, Hugh Whipple, Guy Perlin, Don Ferguson and other players who formerly were members of the high school teams. All of these players have been practicing regularly this season with independent teams, so are in good condition for the contest.

The high school team this year is showing up satisfactorily despite the fact that only one member of last year's championship squad remains. Last year the local team took the conference championship, and was named out of the chance for the state title only because of an unfortunate arrangement of games at the district tournament. Dan Entler is the only member of last year's team remaining for this season. Ferguson, Darland, Schmitt, Covert, Wells, Johnson, Norbus, Applegate, Ness, McGaughey, Gardiner, Taylor and Rapin, are working hard for places on this year's team, and despite inexperienced material, Coach Turner is expecting that the team will be able to make a good showing in the conference this year.

The game Friday night will indicate something of the ability and strength of the squad, and local fans are invited by the school to see this opening contest.
