# Cougars Pitted Against Alabama In Grid Classic

## BETTING SWITCH PUTS WASHINGTON SLIGHT FAVORITE

### 70,000 Expected to Watch Battle in Rose Bowl; Teams About Equal as to Weight.

PASADENA, Cal., Jan. 1 — Southern football supremacy which has predominated Tournament of Roses play in the last half a decade, gets its fourth test here today when Alabama university and Washington State met in the New Year's day game's sixteenth renewal.

Three times in five years a team from below the Mason and Dixon line has invaded Pacific coast's grid sanctuary, to collect two victories and a tie. The Cougars from the northwest are slight favorites to break the southern spell.

Some 70,000 of football's faithful followers will be on hand to help usher out another season of the great college sport. Weather conditions are expected to be ideal — cool with no rain.

The contest, Alabama's third in Rose tournament play, is expected to hinge victory on the ability of either eleven to traverse the air lanes goalward, for both squads boast great lines whose stubborn defense play made undefeated seasons possible.

**Weight About Equal**

The teams are almost a standoff as to weight, with Washington State in command of a slight edge. The psychological advantage, if any, also swings towards the Cougars, whose lack of the spectacular in winning the Pacific coast conference title forced them into the position of the short-enders in betting until late yesterday.

The game marks Coach Wallace Wade's last appearance as gridiron general of the Crimson tide. It will be the third time his teams have taken part in the annual New Year's day drama. In 1926 the tide swept over Washington 20 to 19, and returned in 1927 to tie Stanford 7 to 7.

Washington State also returns after a victorious contest in tournament play. The Cougars wrote a 14 to 0 victory into the first chapter o fthe series back in 1916 by defeating Brown. Many members of that team will be on hand today to cheer the 1931 edition to what they hope will be another triumph.

**Sington At Tackle**

After considerable training chatter about the possibility of starting Fred Sington, all-American tackle at guard, it seemed apparent before game time that Coach Wade had decided to follow his course in past games by using his big lineman at guard only on offense, with Johnny Miller, 194 pound right guard, at his regular spot.

Coach Hollingbery indicated no expected change over the regular starting lineup, but said he would not be sure of this until time for the game, which is called at 2:15 Pacific coast time.

Probable lineups:

| Alabama | Pos. | Wash. State |
|---|---|---|
| Moore | le | J. Hurley |
| Clement (c) | lt | Ahlskog |
| Howard | lg | G. Hurley |
| Eberdt | c | Hein |
| J. Miller | rg | Parodi |
| Sington | rt | Edwards |
| Elmore | re | Maskell |
| Campbell | q | Tonkin |
| Suther | lh | Lainhart |

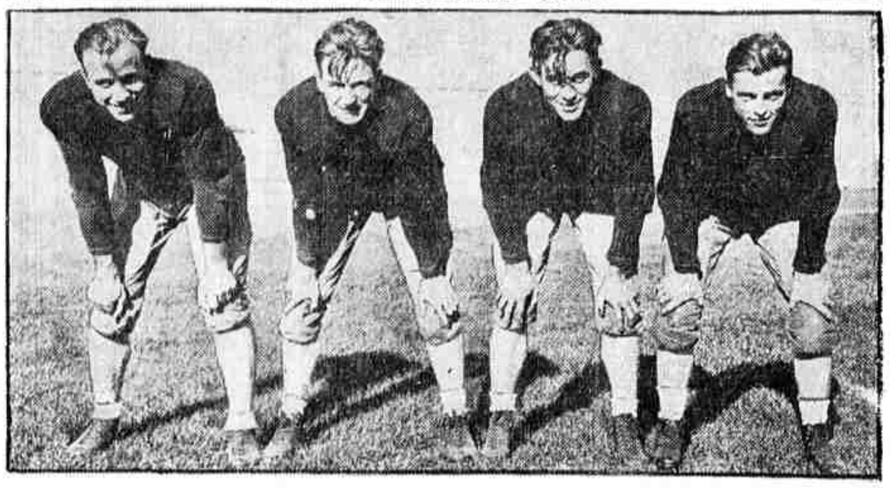
## OPPOSING WARRIORS IN ROSE BOWL TOURNAMENT



Schwartz, Jones, Ellingson and Tonkin of Washington State.

Alabama University's Crimson Tide, tied for southern conference honors this year, and Washington State college cougars, champions of the Pacific coast conference, are clashing today in the sixteenth annual intersectional football game at Pasadena, California. Victory will be the second for either institution in a Rose Bowl classic. Practical equality in defensive strength and similarity in defensive tactes of the two teams base the general prediction that the game will be decided largely by the best passing. Outstanding players of the rival teams are those pictured above.

## YALE HEAD OPPOSES HIGH PAY COACHES

(Associated Press Leased Wire)

NEW YORK, Dec. 31 — Sharing the views of Dr. Charles W. Kennedy of Princeton with respect to shortening football schedules and abolishing spring practice, Dr. James Rowland Angell, president of Yale university, came out strongly today in opposition to "high-priced, temporary athletic coaches." Their influences, he said, were "inimical" to the best interests of college sport.

Dr. Angell, in an address before the annual meeting of the national collegiate athletic association declared there was no general panacea for the football ills now subject to widespread diagnosis, nor did he view the situation altogether "with alarm." Nevertheless he suggested measures for reducing over-emphasis following substantially outlined proposals of Dr. Kennedy, president of the N. C. A. A.

"I may be simply perverse and incorrigible optimist," said Dr. Angell, "but despite many trends which are disheartening, the steady, general advance towards saner and more national ideals of college athletics seems to me to be obvious."

There may be too much emphasis on gate receipts, Dr. Angell went on, but he declared he had no sympathy with those who would do away with such receipts. Nevertheless he recommended that students be admitted without charge to the games played by their own college teams.

"I need not perhaps be rated as a hopeless cynic," Dr. Angell continued, "if one observes that this doctrine (of abolishing gate receipts) is most apt to be urged by those who have little or no gate money to sacrifice on the altar of athletic purity."

## FISTS TO FLY FOR PORTLAND CHARITY

PORTLAND, Ore., Jan. 1 — Thirty-six rounds of fisticuffs were on the program for this afternoon's charity show at the Portland municipal auditorium. Sharing interest with the main event between Leo Lomski, Aberdeen, and Charley Belanger, Winnipeg light heavyweights, was the six-round semi-final between Mickey Dolan and Eddie Volk, Portland lightweights. The latter event is expected to provide one of the liveliest on the card. Two other six rounders featuring Johnny Hansen, Portland newsboy, and Ted Evans, Klamath Falls, and Sandy Nelson, Vernonia, and Red Barnes, Seattle, promise much action.

A capacity crowd is expected and a substantial sum toward the Waverly baby home building fund will be realized.

## BURMESE REBELS NOT YET SUBDUED

(Associated Press Leased Wire)

RANGOON, Burma, Dec. 31 — Natives out of Tharawaddy, eluding British and Punjabi troops, today executed a bold sortie within 75 miles of Rangoon and bombed a bridge, so damaging it as to halt train service.

A Punjabi detachment engaged a small body of insurgents today at Sitkwin, 13 miles from Tharawaddy, and retired after the rebels had killed three. Shortly afterward the natives looted a government forest camp at Okkan and the Burma rifles were sent to that district to root them out.

Heavy casualties were reported to have been inflicted by British troops on the rebels in an engagement last night in the Pashwegyan district.

## For Hard Coughs That Call For Super-Help

Creomulsion is made for coughs from colds that hang on. For coughs deep and difficult—coughs where you dare not risk a less effective help.

But careful people use it for coughs which seem milder—use it to do the utmost and be safe. For nobody knows where a cough may lead.

Creomulsion combines seven major helps in one. Some coughs yield best to one help, some to another. Doctors often differ on the best help for coughs are not alike. So here we combine all the best—to be sure.

Creosote stands first. Here it is blended, emulsified and made palatable. For soothing membranes and combating germs, it is considered the supreme help in this type of cough.

But other helps are sometimes needed: pine tar, wild cherry, menthol, ipecac and others. Nobody can tell to which help your cough will soonest yield. So experts have combined in Creomulsion all best helps in one. No narcotic, nothing harmful to a child, but a seven-way help to deal with all conditions.

The price is $1.25—a little higher than a lesser help. But your druggist guarantees it. Your money is returned if it fails to bring the quick, complete help you desire. Don't you think it worth that little extra to be sure that you are doing the utmost for a cough?

## SOUTHWEST AND MIDWEST TEAMS CLASH AT DALLAS

DALLAS, Tex., Jan. 1 — Football stars of the southwest and mid-west were to collide for charity at Ownby stadium here today in the third renewal of the Dixie classic.

The Scottish rite hospital for crippled children received $10,000 from last year's game and prospects were for a larger gallery today. For the first time since the classic was inaugurated, the southwest eleven was a pre-game favorite, and advance sales of tickets reflected the fact.

However hastily thrown together and polished by Coach Morley Jennings of Baylor university, the southwest array appeared as one of the most powerful elevens ever assembled in this section.

On the other hand, the mid-west team, assembled and coached by Bob Zuppke, veteran Illinois mentor, appeared scarcely as potent as those of the last two years.

Leading the mid-west into battle as co-captains were three players who were voted the "most valuable" on their respective teams in 1930, Stanley Bodman, University of Illinois tackle; George Stears, Purdue guard, and Robert Clark, Northwestern center.
