SALE

As has been our custom for a number of years, we are going to put on our annual Pre-Inventory Sale—but in a more simple and better way. Instead of hiring a high priced sales manager to plaster our windows with high colored extravagantly worded posters and stringing our store with cheap merchandise and flaming banners and otherwise disfiguring our salesrooms—We are leaving our merchandise in its accustomed places on the shelves, tables and counters all marked in plain figures at their usual low price and divide our profits by giving a general reduction of 15% on all merchandise in our store. On many lines of merchandise this will take our entire profit and you will be supplying your wants at whole- sale prices.

HALLMARK HEADS HOOPSTER LEAGUE

Final organization of the city league was completed last night at a meeting of the team managers, held at the office of Attorney Mar- tinez Hallmark. Mr. Hallmark was elected president of the league and Richard Levy secretary-treasurer. A financial report was presented and team lists were read and ap- proved.

The league plays its second series of games at the senior high school gymnasium Wednesday starting at 6:45 p. m.

The first game is to be played between the faculty and Methodist church teams. The faculty team is composed of teachers in the city schools, including the athletics coaches. The team is an unknown quantity as it drew a bye last week and did not appear in the first round. Consequently considerable interest is being shown.

The second game is to be played between Spencer's and the Chris- tian church team, and promises to be a fast scrimmage, as both of these organizations have had con- siderable practice.

The Lions club plays the national guard in the final match. These two teams, judging from last week's games, are about evenly matched and should stage an in- teresting contest.

Douglas County O. S. T. A., was in charge of the meeting, at which time a report was given on the association meeting recently held in Portland. Mrs. Edith S. Ackert, Douglas county school superintendent, was also present. Glide, Can- as Valley, Canyonville, Oakland, Sutherlin, Riddle and Roseburg were represented at the meeting.

SCOUT HONOR COURT TO AWARD BADGES

The Boy Scout court of honor is to meet tonight at the county courthouse at 7:30 o'clock to pass on promotions and merit badges. The court will be conducted by Guy Corliss, with the chairman of troop committees and Dr. G. C. Finlay sitting as judges. Boys pass- ing to the second class division will receive 100 points to be ap- plied on the contest being started this month, while promotion to a first class will rate 150 points and merit badges 60 points.

Visiting at Laird Home—Mrs. A. Livingston, of Portland, is spend- ing a week in this city as the house- guest of her sister and brother-in- law, Mr. and Mrs. B. H. Laird on Parrott street.

INGRAM SIGNED TO COACH BEARS

(Associated Press Lead Wire)

PERKELLY, Cal., Jan. 13 — Uni- versity of California's Bears, once the toast of far western football, will bid for gridiron glory this year under the leadership of smiling Bill Ingram, late of the U. S. naval academy. Ingram has been signed to a three-year contract.

The new coach will take over his duties March 1. He already has sent word he will recommend one or two assistants, one probably E. E. Miller, present line coach at Annapolis. It is understood Jack Cavanaugh, now assistant to Knute Rockne at Notre Dame, is in line for the other assistant berth under Ingram.

Ingram was a backfield star for navy from 1916 to 1918, being named all-American quarterback in the latter year.

No mention was made of salary but it is believed he will receive at least \$10,000 per year, possibly \$12,000, and not more than \$15,000.

DOUBLE HOOP BILL SET FOR TONIGHT

Basketball fans will have an op- portunity to witness two good games tonight at the senior high school, when Spencer's basketball team plays a return game with the first Drain team. Roseburg defeated Drain 29 to 27 in a very fast game at Drain recently, but the local team was defeated by Elkton later, and Drain has won from Elkton, in- dicated that the teams are very evenly matched.

As a preliminary contest, the Lions club team of the city league will play against Glide high school. The Glide team is one of the best school teams of the "B" league and has been giving some strong com- petition to Roseburg teams in early games this season.
