Carolina Woman

Lost 47 lbs

In 3 Months and Feels Years Younger

"I have been taking Kruschen Salts for nearly 3 months. I have continued taking one teaspoonful in warm water every morning. I then weighed 217 pounds, was always bothered with pains in my back and lower part of abdomen and sides."

"Now I am glad to say I am a well woman, feel much stronger, years younger and my weight is 170 pounds. I do not only feel better but I look better, so all my friends say."

"I shall never be without Kruschen Salts will never cease taking my daily dose and much more than that, I highly recommend it for the great good that it is in it."

Mrs. S. A. Solomon, New York, N. Y. may think I am exaggerating by writing such a long letter but truly I feel so indebted to you for putting out such wonderful salts that I cannot say enough."

A bottle of Kruschen Salts that cost 25 cents at Nathan's Pharmacy or Chapman's Pharmacy, and distributes the world over, is a half-price in a morning before breakfast.

Attention to diet will help—eat only pure and fatty meats—no light or salted butter, cream and sugar—the Kruschen way is the safe way to lose fat. Try one bottle and if not joyfully satisfied—money back.
