PilesGoQuick

Without Salves or Cutting

Thousands of Pile sufferers have learned that quick and permanent relief can only be accomplished with an internal medicine. Neither salves nor cutting remove the cause.

Bad circulation of the blood in the lower bowel causes piles. The veins are flabby, the bowel weak—the parts almost dead. To end Piles an internal medicine must be used to stimulate the circulation and strengthen the affected parts.

Dr. J. S. Lombard was the first to discover a real internal Pile remedy. He called his prescription HEM-ROD and prescribed it for two patients with the marvelous record of success in 500 cases, and then decided every Pile sufferer should be able to get HEM-ROD from their own druggist with a rigid money-back guarantee.

Dr. Lombard's prescription has a wonderful record of success right in this city and Chapman's Drug Store invites every Pile sufferer to try HEM-ROD and guarantee to refund the purchase price if it does not end all Pile misery. Adv.
