

MAXIE ARRIVES TO BATTLE STRIB

German Says He Will Also Fight Sharkey and That He Will Whip Him.

By EDWARD J. NEIL. NEW YORK, Jan. 28.—Max Schmeling moved into New York today, genuinely happy to be back in the land that voted him heavyweight champion of the world.

The youthful German with the features of a young Jack Dempsey sailed into Brooklyn last night, accompanied by his trainer, Max Baer.

Max appeared to be in splendid physical condition, eager to get to work on preparations for his title battle in June with young Bill Stribling, Georgia's challenger for the heavyweight crown.

Over and over again he insisted that he wants to fight Jack Sharkey, feeling sure that eventually he will face the Boston sailor in a prize-rings, but for the present:

"Cho Yackobs has nine manager, I am der fighter. He manager, I fighta. Waas he says, goas."

Comments on Muddle. Sharkey has no one to blame but himself, Max insisted, for the muddled state of affairs that envelops the heavyweights today, a situation wherein Sharkey, loser on a foot to Schmeling here last June is recognized in New York state as the outstanding challenger while the National Boxing association, controlling boxing in 27 states, believed that Stribling alone is entitled to a title shot.

"While Stribling knocks out Phil Scott and Otto Von Porat since last I am here," Schmeling argued, "what has Sharkey done? Nosing, Sharkey should have fought as Stribling did. I cannot ignore Stribling's record. If I don't fight him, the N. B. A. suspends me. If I don't fight Sharkey New York suspends me."

"I Will Whip Sharkey." "Someday I will fight Sharkey again and I will whip him. I know that I would have beat him last June if he did not foul me in the fourth round. I am not entirely recovered from that punch until last October. In the third round I take all he has and they could not even give me smelling salts after the bell. In the fourth I ran out, Sharkey sees me coming. He is a changed man. I feel him weaken. He fouls me.

"Ach, what can I do. I know that if I had fouled Sharkey instead of him fouling me I would not be given another chance at him."

During his stay in Germany, Schmeling said he had training constantly. His exhibition tour will be preceded by an appearance in Philadelphia next week.

O. S. C. HOOPSTERS DEFEAT HUSKIES

(Associated Press Special Wire) CORVALLIS, Ore., Jan. 28.—With Rod Ballard, forward, leading the attack with seven field goals and a free throw for 15 points, and his teammates full of fire, Oregon State stopped the University of Washington quint here last night 37 to 23 to administer the first defeat of the season to the Huskies. Only twice in the first half were the Huskies leading by slight margins. At the half the Staters led 16 to 11 and thereafter were never headed.

Swanson, Husky scoring ace, was held to three field goals for the game.

Ed Lewis, star sophomore center for the Beavers, was out of the game with injuries.

Oregon State plays Oregon here Saturday night.

KENNEDY DEFEATS DYNAMITE JACKSON

(Associated Press Special Wire) LOS ANGELES, Jan. 28.—In a furious ten round set to here last night Les Kennedy, Long Beach beachshoreman, took a decision over Dynamite Jackson, Negro heavyweight of Los Angeles, winning six rounds, while two were called even.

Kennedy, ranking heavyweight of the Pacific coast by virtue of victories over Max Baer and Al Morra, was hard pressed by the Negro throughout the hectic bout. In spite of his edge, there were no knockdowns.

In the semi-windup Steve Samas, sensational young heavy and former Penn State all-around athlete star, scored a quick knockout over Steve Hayden.

TIRED WHEN SHE GOT UP

Strengthened by Lydia E. Pinkham's Vegetable Compound

St. Paul, Minn.—"I used to be as tired when I got up in the morning as when I went to bed. I had fainting spells and palpitation. Of course it was my age. I read a Lydia E. Pinkham booklet and started taking the Vegetable Compound three times a day. I am now a well woman. Three of my neighbors know what it did for me so they are taking it too. I will write to any woman if Lydia E. Pinkham's Vegetable Compound will help her as it did me. I feel like a young woman now and I thank you."

History of Umpqua Post

AMERICAN LEGION Roseburg, Oregon—1919 to Oct. 1, 1930

CHAPTER 4

At the meeting on October 21, 1919, it was voted to accept the offer of the Grand Army of the Republic, to hold future meetings in the G. A. R. rooms in the Armory at Roseburg, Oregon. Recommendations to State delegates to the National Convention of the Legion which were passed at this meeting on October 21, 1919, show that the members of this Post were awake to the problems before them. Among the recommendations were the following: Additional pay for ex-service men—Yes. 2. Universal military training—Yes. 3. Reserve Corps, training of civilians—Yes. 4. Preference to ex-service men in acquiring public lands, and financial assistance in the form of long time loans with which to purchase farms or build homes—Yes. 5. Restriction as to all immigration—Yes. 6. Strict naturalization laws—Yes. 7. Constructive policy and immediate relief for all disabled ex-service men—Yes. 8. Abolition of all foreign language newspapers—Yes. 9. Vocational training for disabled ex-service men—Yes. 10. Deportation of all anti-Government aliens—Yes.

November 3, 1919, being the next meeting, the Treasurer's report showed \$176.59 on hand. It was voted to celebrate Armistice Day and to request all business houses to close. On December 2, 1919, resolutions were passed condemning the dastardly deed which resulted in the murder of ex-service men who participated in the Armistice Day parade in Centralia, Washington, on November 11, 1919.

At the meeting held on December 16, 1919, a committee composed of Walter Fisher, Charles Stanton and Guy Gordon, was appointed to foster or assist in organizing a unit of the American Legion Auxiliary. This committee was discharged on January 6, 1920, and a new committee composed of Frank Lilburn, Petty and Gibson was appointed. Resolutions commemorating the life of Theodore Roosevelt were passed on this the first anniversary of his death.

On January 20, 1920, the By-laws were amended to require two regular meetings of the Post each month to be held on the first and third Tuesdays, or on the following Wednesday when the regular meeting date falls on a legal holiday. Also, at this meeting Petty and Gibson were removed from the American Legion Auxiliary committee which indicates that the officers were experiencing some difficulty in getting proper service on this committee.

The principal business transacted at the meeting held on February 17, 1920, was to waive conditions of the By-laws and elect the following officers for the ensuing year: Carl E. Wimberly, Commander; Harrie Booth, Vice-Commander; Guy Gordon, Adjutant; James Goodman, Finance Officer; Bertram Bates, Historian; Chas. Springer, Chaplain; C. N. Riddle, Clarence Stoddard and Leo Devaney, Executive Committee. At this meeting a committee composed of Gordon, Holbig, Stevenson, Springer and Leon McClintock, was appointed to request the City Council of Roseburg to appoint a boxing commission. The statement of National Commander Frank D'Older as to attitude of organized labor was adopted as the statement of Umpqua Post. For several meetings past the Post showed interest in basketball and baseball and on March 2, 1920, Street on the committee reported on baseball prospects.

GLENDALE LOSES TO MYRTLE CREEK

(News-Review Douglas County Special) GLENDALE, Ore., Jan. 28.—Two Glendale high school teams were on the short end of the scoring in games played at Myrtle Creek last Friday evening.

The Glendale girls' volleyball team suffered its second defeat of the season when the Myrtle Creek high school girls defeated them by a score of 55 to 38. The Myrtle Creek girls took the lead from the start and were never in any danger at any time.

The Glendale players were: Violet Humphreys, Helen Taylor, Margaret Stevenson, Louise Lesh, Viola Humphreys, Madone McCollum and Florence Corum.

In the basketball game between the two high school boys' teams the Myrtle 'Crookers' gave the Glendale lads their first defeat of the season with a score of 23 to 15. The prune pickers had a defense that held the lumberjacks to long shots.

Both the girls' volleyball and the boys' basketball teams of the local high school will play the teams from Hiddle at the Friday evening. The Hiddle basketball team is one of the best in the district. As it will be necessary for the Glendale team to win this game in order to have a chance at the district championship, an exciting game is anticipated.

FLAGSTEAD TO PLAY ON BEAVER TEAM

(PORTLAND) Ore., Jan. 28.—Thomas L. Turner, president of the Portland baseball club of the Pacific Coast league, announced today the Beavers have acquired Ira Flagstead, major league veteran outfielder. Flagstead, last year with Pittsburgh, obtained his unconditional release under the 1929 year rule. He was for many years with Boston. His home is in Olympia, Wash.

LAMB GROWER TO TRY 'CREEP' FEED

L. E. Thompson, prominent Umpqua farmer, will creep feed his lambs this year for the first time, reports J. C. Leedy, county agent. A convenient "creep" has been arranged for the lambs to enter and eat a certain mixture composed of ground oats, mill run and oil meal.

By the use of this system Mr. Thompson expects to get his lambs ready for the market and secure better than average prices.

Forty of the grade ewes on the farm are mothers to 50 thriving lambs. Only purebred Shropshire bucks are used on the Thompson farm.

PITTSBURGH.—The scramble for hymn books at the Allegheny county jail during Sunday church services has stopped. Eight hundred hymnals have been provided by the United Presbyterian board of publication. There are 700 prisoners.

PATENTED PROCESS BRINGS OUT FINER FLAVOR IN COFFEE

Controlled Roasting Gives Hills Bros. Coffee Flavor No Other Coffee Has

As everybody knows, the flavor of coffee varies according to the way it is brewed. Especially disappointing is the result when coffee stays on the fire too long or is taken off too soon.

Similar unsatisfactory results can occur in the roasting of coffee. If the blend is roasted too long or not enough there is a noticeable difference in flavor between the two lots. Even with watchful care such variation is exceedingly difficult to prevent when coffee is roasted in large quantities.

Realizing this, Hills Bros. originated and patented a continuous process which roasts coffee a few pounds at a time, instead of in bulk. The quantity of coffee passing into the roaster does not vary. The speed of operation and the temperature remain the same with the result that Hills Bros. Coffee is absolutely uniform and has a flavor no other coffee has.

Hills Bros. Coffee never "goes stale" because it is packed in vacuum. By this process air, which destroys the flavor of coffee, is taken from the can and kept out. Ordinary cans, even if air-tight, do not keep coffee fresh. Ask for Hills Bros. Coffee by name and look for the Arab—the trade-mark—on the can. Sold by grocers everywhere.

PLANS FOR SMOKER NEAR COMPLETION

Three Grudge Battles Put on Ring Program for American Legion.

Plans for the American Legion smoker February 6 are nearing completion, according to J. A. Soules, chairman of the committee. Three grudge fights have been scheduled, and one more bout is to be added.

The main event will be an 8-round return engagement between Austin Pendergrass and Comet Gibson, a fight to settle a feud with which 25 local fans are familiar. These boys staged a sensational battle a few months ago.

"Batting" Clinger and "Tiger" Bizer are booked for a 6-round battle as the semi-final. These boxers have been orally arguing their respective abilities for considerable time and are anxious to settle the dispute with gloves.

The special event will be a 4-round engagement between Young Franco and Kid Andrus. Those two boys recently paid \$5 fines for an attempt to settle their differences in a street fight, and are reported to have had an encounter out of town later. As they are still unaffiliated they have been given an opportunity to work out their grudge with the gloves in the armory arena.

Another 4-round bout is being arranged, but the committee is not yet prepared to announce the principals, Mr. Soules reports.

As a preliminary there will be a battle royal furnished by a group of Dan Boone's outside proteges. Arrangements have been made to present the card at the armory, and a ring is to be constructed at once.

SPORT SHORTS

By ... ROGER DICK

Here's another thing Clyde Ward spoke about yesterday in connection with his promotion of boxing matches. Last year during the fight season he sponsored a local gymnasium, both for the fighters, and for anyone in Roseburg who wished to take advantage of the opportunity for exercise. It gave a lot of fellows who spent the day at a desk a chance to work out once in a while and keep from getting soft and flabby.

And their only expenses were small monthly dues. I asked Clyde why he didn't at least sponsor the gym again, since so many derived benefit from it before. He told me that the monthly charges would not be enough to defray expenses without having the boxing cards too. So, there's another reason why we should all get back of our last year's matchmaker and show him the needed support is waiting for him. Right now what else have we here besides basketball to allow fellows to keep in condition? I can't think of a thing, and naturally, a great many are not playing the maple-court game who would still like to get out once in a while for a work-out. But, if we had that gym—well, if you

once. Admission to the program will be free to all ex-service men, but a small charge will be made for the general public.

want it bad enough Clyde is willing to be convinced.

Whom do you think is the leading scorer in the city basketball league? I started wondering about it the other day so took a few minutes off and figured it up. At the present writing Spencer's dynamic little forward, Fisher, leads the pack with 41 points, followed closely by Miles of the Ramblers who has swished the net for a total of 36. But, here's the joker—due to the bye system of the schedule, Miles has played in but 2 games to Fisher's 3, so that in average per game the former is the leader, having netted 18 for each of his team's contests as compared with Fisher's 13 and two-thirds. Atter-

bury of the Christian church, and Collins of Spencer's, both of whom have played in three games, are tied for third with 28 points apiece. That leading scorer race promises to be close before it is finished.

INDIANAPOLIS.—Planting of walnut in Indiana as a part of the reforestation campaign of the conservation department is urged by Ralph F. Wilcox, state forester. Wilcox has sold most of the 1,500 bushels of black walnuts he acquired this fall.

"I Hope Your Example Will Compel The Adoption Of Sanitary Methods"

Says DR. THOS. J. McLAUGHLIN Chairman State Board of Health, State of Rhode Island

Rhode Island Public Health Commission. The American Cigar Company, 111 Fifth Avenue, New York, N. Y. Permit me to commend you for your crusade against the old-fashioned method of cigar making which involved the use of 'spit' or 'saliva.' There are many unsanitary processes still employed in industry which are very difficult to eliminate without the aid of industry itself.
