No More Piles

How to End Terrible Agony Without Salves or Cutting.

External treatments cannot permanently end Piles. Nor does cutting remove the cause. The cause is internal—bad circulation of the blood in the lower bowel. The veins are flabby—the bowel walls weak—the parts almost dead. To quickly and safely rid yourself of piles an internal medicine must be used to heal and strengthen the affected parts.

Dr. J. S. Leonhardt, a specialist, after years of study discovered a real internal Pile remedy. He named his prescription HEM-ROID, and prescribed it for 1000 patients, with the marvelous record of success in 960 cases, and then decided every Pile sufferer should be able to get HEM-ROID from their own druggist.

Don't waste time on external remedies or think of the pain and expense of an operation until you have tried HEM-ROID. Chapman's Drug Store will supply you and guarantee money-back if it does not end all Pile misery. Adv.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute.

For Coughs Too Deep To Risk A Lesser Help

Creomulsion was made to deal with coughs from colds which hang on. A three-day cough is a danger signal. There the utmost should be done.

But a trifling cough may develop into something deep and difficult. Don't you think it wise to use the utmost help, even if a lesser help might do?

Creomulsion combines seven major helps in one. The seven best helps known to medical science. One is best for one type of cough, one for others. Nobody can tell in advance. So the best way seems to be to combine all in one prescription.

Creosote stands first. Here it is blended, emulsified and tasty. For soothing membranes and combating cold germs, the world knows nothing better.

But some coughs best yield to white pine tar, some to wild cherry bark, some to menthol, some to ipecac, etc. So we combine all these factors at their best in a single formula.

For some coughs Creomulsion is better than you need. One of its factors might do. But don't you feel safer when a minor cough is treated in the utmost way?

If so, get Creomulsion. It costs a little more than lesser helps—$1.25. But your druggist guarantees it. He returns your money if you are disappointed. You will feel safer in any cough if this master help combats it. Use it promptly.
