TODAY'S MARKETS

(Associated Press Leased Wire)

PORTLAND, Jan. 29.—Product exchange quotations opened 1 cent higher on all grades of wholesale butter today as result of demonstrated strong technical position of the local market due principally to scarcity of fresh supplies of butter for scoring from 30 to 40 points. The quotations advanced brought about also a cent advance of the price of creameries for butter. Quote: Butter, extra, 27 cents; standards, 26 prime firsts 25.50; firsts 25.00; butterfat 25.00. U. S. B. Portland. Butter demand by retailers was reported good. Large market continued active with quotations unchanged. Receipts were liberal and trade to retailers was fair volume.

Fruit and vegetable market opened steady on practically all lines, only important change being a new decline of 25 to 50 cents a box for rhubarb to 30 cents to 12.25. Trade movement was reported good as to total tonnage volume.

Government market prices reported general conditions in the trade as follows: Citrus continues to enjoy fairly good demand, but shipped and graded offerings are moving very slowly. About 3000 boxes of the sale of 10-15 boxes of peaches appear for every box of packed stock. Export movement is heavier now, with movement from the Pacific coast during the latter half of January reaching a total of 700,000 boxes, according to steamship companies' reports. Peaches from here from the coast are promising to exceed 800,000 boxes.
