the right as they pass through the main entrance.

Modern Methods

Miss Randolph has a winning personality, and the several hundred ladies present Wednesday attentively listened to her instruction as she very carefully demonstrated the intricacies of kitchen economies. Mixing and baking, preparations of meats, vegetables and pastries were gone into with a clearness that leaves no doubt in the minds of her hearers. For nearly two hours Miss Randolph entertained her guests with a delightful program of instruction that was apparently immensely enjoyed by the entire audience, and most of the housewives present took notes on the subjects treated. The second session is under way at the armory as the News-Review goes to press today and the third program will be presented at two o'clock Friday.

Door Prizes Given

Just before the school closed a box containing all of the tickets signed by ladies attending the session was opened and drawings for door prizes made. Assisting in this work were the ushers, Miss Ruth Thompson and Mrs. Riebeling, who lent aid to the visitors in registering as they entered. A dozen door prizes were given by the usual process, a ticket being drawn, and the name thereon being announced. No little interest was created in this delightful ending of the first day's session of the cooking school.

Ladies from neighboring towns were present, as well as many from the farms of the county. Today's session promises, as the News-Review goes to press, to be equally as interesting and even more generally attended.

WOMAN FINED \$150 FOR HAVING LIQUOR

A woman, giving the name of May Parker, and claiming Portland as her residence, was arrested here last night charged with possession of liquor. Officers confiscated a gallon jug of liquor from her automobile. She appeared this morning before Justice of the Peace C. F. Hopkins, entered a plea of guilty, and was fined \$150. She is making arrangements to pay the amount of the fine.

BASKETEERS GUESTS OF CONFECTIONERY

Spencer's basketball team was entertained last night by Mr. and Mrs. I. T. Whitney at Whitney's confectionery. Following last night's game in the city league, the team members were invited to the confectionery, where they were served with ice cream and cake and enjoyed a delightful social time.

Mrs. A. E. Rutter and Mrs. F. M. Porter, of Edenhower, visited and shopped in this city yesterday.

Mrs. Hugh Ritchie, Jr., of Garden valley, spent Wednesday in this city visiting friends and shopping.

Thousands of Pile sufferers have learned that quick and permanent relief can only be obtained with an internal medicine. Neither salves or cutting remove the cause.

Had circulation of the blood in the lower bowel causes piles. The veins are flabby, the blood weak—the parts almost dead. To end Piles an internal medicine must be used to stimulate the circulation and strengthen the affected parts.

Dr. J. S. Leonhardt was the first to discover a real internal Pile remedy. He called his prescription HEM-ROID, and prescribed it for 1000 patients with the best record of success in 200 cases, and then decided every Pile sufferer should be able to get HEM-ROID from their own druggist with a rigid money-back guarantee.

Dr. Leonhardt's prescription has a wonderful record of success right in this city and Chapman's Drug Store invites every Pile sufferer to try HEM-ROID and guarantee to refund the purchase price if it does not end all Pile misery. (Adv.)
