

## PAPOOGES LOSE TO SALEM HOOPSTERS

Local Youths Outweighed in 22-11 Game But Put Up Good Battle.

The Roseburg junior high school Papooges were defeated 22 to 11 by Parrish high school of Salem in a very good game played at the local junior high gymnasium last night. The Salem team was composed of much larger and heavier players, who were also more experienced in the game. The same team last year won the state junior high school championship.

Although working under a very great handicap in playing larger and more seasoned opponents, the Roseburg team won the first quarter 3 to 2. The local team played a very clever defensive game throughout the entire contest, and practically all of the Salem baskets were made at long range. Tiring under the fast pace and the superior weight of their opponents, the Roseburg team was trailing 12 to 5 at the half. The last half was played on more even terms, the third quarter ending 17 to 7 and the final score being 22 to 11.

**Perrine Tops Scorers**  
Perrine, tall and rangy Salem forward, was the outstanding player on the visiting team, making 15 of the 22 points for the visitors. The Roseburg team, on the other hand, had no star, every player exhibiting good ability with a fine showing of teamwork. The lineup was:

Salem	Pos.	Roseburg
Perrine (15)	F	Hildeburn (2)
Windermate (1)	F	Gonler (2)
DeJordan (4)	C	Rand
Ellis (2)	G	Starmer (2)
Hobbs	G	Shaffer (4)

Substitutions: Salem—Nicholson for Windermate, Clark for Ellis; Roseburg—Campbell for Starmer. Field goals: Salem, 8; Roseburg, 5. Free throws: Salem 6 out of 10, Roseburg 1 out of 2. Officials: Bench, referee; Riley, scorer; Hiatt, timer.

## SPORT SHORTS

By ... ROGER DICK

When a group of boys 13 to 15 years of age face hopeless odds, knowing in advance that nothing but defeat lies ahead of them, but can still fight with every ounce of their energy, just as if they had a good chance for victory ahead, they have learned one of the most important lessons of life. High school athletics are provided not so much to win games, but to instill lessons of sportsmanship in the minds of the players.

Captain Paul Warren's Papooges at the Junior high school last night met Parrish junior high, from Salem, knowing in advance that they had no chance to win. The Salem team, composed of much larger players, was favored by many of the senior high school teams in the Willamette valley.

The Papooges, however, went into the game with a spirit that brought admiration from every spectator present. From the first whistle to the last they were fighting every inch of the way, fighting against a terrible handicap, facing sure defeat, but nevertheless fighting. By sheer pluck alone they played on even terms during the early part of the game and went down to defeat only against the long odds brought against them.

Captain Warren has, beyond all doubt, instilled into his boys elements of sportsmanship that not only qualify them for honor as athletes, but will be of extreme value to them when they apply the same principles to the problems of life.

## COQUILLE QUINTET BEATS MARSHFIELD

Both Teams Now Tied for Title—Roseburg Five Defeats Bandon.

The championship of the Southwestern Oregon basketball conference was thrown into a tie last night, when Coquille beat Marshfield 22 to 21 in an overtime period game played at Coquille. At the same time Roseburg won from Bandon 25 to 14 and Myrtle Point won from North Bend 23 to 12.

Roseburg had little trouble in defeating Bandon, taking an 8 to 1 lead in the first quarter and finishing the first half 15 to 10. The third quarter ended 19 to 12. Entler and Wells scored all of Roseburg's points, Entler tossing nine field goals and two fouls, while Wells annexed two field goals and a foul. Coach Turner took along nine players, all of whom participated in the game. McCue and Barker, for Bandon, with 6 and 4 points, respectively, were the high point men for the home team.

**Extra Period Needed**  
While Roseburg was busy polishing off Bandon to retain third place in the conference, Coquille went into a tie with Marshfield for first place by winning in an extra period game. Coquille led 8 to 2 at the quarter and 11 to 10 at the half. Marshfield rallied in the third period to lead 19 to 15, but Coquille tied the score 20 to 20 as the game ended. In the overtime period Coquille secured a field goal and Marshfield tossed a foul.

The outcome of the Marshfield-Coquille game last night will result in a great deal of interest, all over the conference in the Roseburg-Coquille game to be played at Coquille on the 27th. If Roseburg wins Marshfield will have the title without dispute, while the tie will remain if Coquille is able to secure a victory.

**Home Games Tonight**  
The Roseburg team plays a home game tonight, meeting Eugene high school in a game here. A double-header is being offered, with Spencer's playing the Ramblers in the first game, starting at 7 o'clock.

The Ramblers have augmented their team, it is reported, and will probably have Elton Jackson and Paul Warren playing in their lineup. Warren, Miles and Koenig at forwards will probably make a combination that will force Spencer's efficient guards to extend themselves to the limit. Hull is also expected to be back at his regular berth at guard for the Ramblers.

# SPEND

## And Save Money

Not so long ago a famous personage advised the American public "to spend." Another equally noted man retorted with the advice "save." Perhaps both were right, but the better policy would seem to be "spend wisely in order to save."

Spending wisely simply means to use your money for those things that you need, as the condition of your purse may warrant—and at the same time, to buy only those articles that have actually proved their quality and worth. By purchasing merchandise that gives the greatest value for the money, you secure the longest service and so save the price of a repurchase.

Thrift is a virtue, but so is wise investment. The advertising in this paper is a reliable guide as to where and when to get the utmost value for your money.

Advertising is a safe and trustworthy guide to sound investment. It has proved its reliability. You buy advertised wares every day—consciously or unconsciously. You buy by name, because you know that the advertised article has served you well in the past, and will continue to do so in the future.

Read the advertisements, that you may spend wisely—and save.

The pages of this newspaper carry the advertisements of reliable merchants and reliable manufacturers. Read them—take advantage of the opportunities they offer.
