POINTER FOR HUSBANDS

NEW YORK.—Often, in the opinion of Helen Hayes, the wisest place for a man to invest money is on his wife's back. Her premises, as told over the radio, are that many a wife has won promotion for her husband because she won a place for herself in the esteem of her husband's employers or influential friends.

CAL LIKES NIGHT CAP

NEW YORK.—The best amateur chocolate maker in Northampton, Mass., as he characterizes himself, is none other than its most distinguished citizen. Bruce Barton tells in the current American magazine about Calvin Coolidge making himself a night cap every night before retiring.

POEM FOR THE DAY

By LOUIS ALBERT BANKS

GEORGE WASHINGTON

George Washington's our very own,
Belongs to us and us alone;
His country's father, brother too—
Big brother he to me, to you.
So many were his useful arts
He took first place in people's hearts;
Through eight long years of bloody war
He was our steady guiding star.

For freedom's fight he furnished steam;
Our starlit flag was his bright dream;
He trained a band of country boys,
And planned ahead a nation's joys.
He built an army from the ground,
That won applause the world around.
No wonder at the end of strife
He seemed the new republic's life!

So when they thought to choose a chief
Their choice was founded on belief.
They scoured the land from rim to rim,
And speedily came back to him:
So, first in war, when war could cease
They proudly made him first in peace.
He was the hero of his time,
Of all that age the most sublime.

In him no selfish could hide—
That, through the years, has been our pride!
The people thought to make him king,
But he said, "No!" with such a ring
It echoed down along the years
Till now it wakes all freemen's cheers.
Anew we thank, in admiration,
This splendid father of our nation.

NAMING OF JUDGE OFFENDS SCHALL

(Associated Press Leased Wire)

WASHINGTON, Feb. 20.—Senator Schall issued a statement today in which he said the naming of Gunnar H. Nordbye for a Minnesota federal judgeship "is a studied affront to me on the part of the attorney general."

"So far as I am concerned," Schall said, "I will not lend myself to the scheme of the attorney general in filling federal judgeships in my state with his 'right minded' sort whose sympathies are not with the common men, whose legal bent and natural inclinations are 'properly right minded' to the exclusion of humanity."

Schall had said earlier that he would fight the confirmation of Nordbye, Minneapolis lawyer, who was named by the president after a number of appointees Schall suggested were passed over.

JURY EXONERATES IN TRAFFIC DEATH

(Associated Press Leased Wire)

PORTLAND, Feb. 20 — A coroner's jury, reporting late today, exonerated County Commissioner Fred W. German of blame after an inquest into the death of Louis Lampert, janitor, fatally injured Monday night when he was struck by German's car.

The coroner's jury verdict has no bearing on the manslaughter charges filed by a relative of Lampert.

CATHOLICS SENT DIVORCE WARNING

(Associated Press Leased Wire)

PORTLAND, Ore., Feb. 20.—Archbishop Edward D. Howard, in his annual Lenten pastoral letter to Roman Catholics of Oregon, today directed that Catholics in the diocese obtain formal permission from the archbishop before instituting divorce proceedings in the civil courts.

The letter states violation of this mandate will be classed as a "reserved sin," indicating absolution for such an offense rests alone with the archbishop.

The letter will be read in all the Catholic churches Sunday.

Archbishop Howard said "only one state in the Union has a noticeably worse (divorce) record than Oregon.

"The "especial consideration" of members of the faith is directed to that part of Pope Pius XI's recent encyclical condemning birth control.

HOTELMEN LEAVE TO ATTEND MEETING

Mr. and Mrs. George Smith and Mr. and Mrs. J. A. Harding, of this city, left today for North Bend, where they will attend a meeting of the Southern Oregon Hotel association. Mr. Smith, president of the association, will have charge of the meeting, at the Chandler hotel in North Bend. Other hotels of that city will act as hosts during the meeting. Several guests from Portland are expected to attend. At five o'clock today a business session will be held and at seven-thirty o'clock a dinner dance will be enjoyed.

LIBERTY LOAN BOND REFUNDING IS VOTED

(Associated Press Leased Wire)

WASHINGTON, Feb. 20 —The house today passed the Hawley bill to authorize the issuance of $8,000,000,000 in bonds for refunding maturing Liberty loan bonds.

The measure, which now goes to the senate, would allow the treasury to issue new bonds for $8,000,000,000, increasing the authorized limit of bonds to $28,000,000,000.

The new issue will enable the treasury to meet $1,933,545,000 of first Liberty loan bonds callable in 1932 and $6,268,241,000 in fourth Liberty loan bonds callable in 1933.

Under the bill, all bonds issued hereafter by authority of the second Liberty bonds act would be exempt from taxes, except those of estates and inheritance.

The measure does not increase the public debt.
