"Hell's Angels" Starts Monday

Scene from "Hell's Angels," coming to the Indian theatre next Monday, Tuesday and Wednesday.

"HELL'S ANGELS," the most pretentious picture that has come out of Hollywood, will be the featured attraction at the Indian theatre, starting Monday.

This spectacular film drama was produced at a cost of approximately \$4,000,000, and was three years in the making. This is the most time and money ever expended on a celluloid production.

Howard Hughes, 25-year-old president of the Caddo company, produced and personally directed this amazing dramatization of the World War in the air.

He is Hollywood's youngest and most picturesque producer. The sensation created by "Hell's Angels" has made him the outstanding figure today in the picture industry.

More than 137 pilots, planes and mechanics were used in filming the air sequences of "Hell's Angels," and in one scene alone 50 planes are shown in free-for-all combat in what is admittedly one of the greatest achievements in history of film-making.

Two years were devoted to the filming of air scenes alone, and Mr. Hughes spared neither time nor expense to make his air drama the most realistic and spectacular entertainment ever put on the screen.

Aside from its unsurpassed thrills in the air, "Hell's Angels" has one of the most unusual love stories ever presented to the public.

The romantic interest revolves around the newest feminine screen sensation, Jean Harlow, a former Chicago society girl, who makes her film debut in this picture.

Playing opposite Miss Harlow in "Hell's Angels" are Ben Lyon and James Hall. A stupendous cast of some 20,000 others contribute to the drama of this record-breaking spectacle.

Attractions AT THE MOVIES

INDIAN — Last night today, "Tollable David"; Sunday, Clara Bow in "Her Wedding Night"; Monday, Tuesday, Wednesday, "Hell's Angels"; Thursday, Friday, "Bean Ideal," with Ralph Forbes; Sunday, "See America Thirst," with Harry Langdon, Slim Summerville and Hattie Love.

The drama of this record-breaking spectacle.

"HER WEDDING NIGHT," romantic adventures of a red-haired movie star who tries to escape the men, and a song writer whose numerous lady friends make life miserable for him, is Clara Bow's new riotous laugh-and-love hit at the Indian theatre Sunday only.

"Her Wedding Night," with an Avery Hopwood farce, with a succession of comedy situations that bubble and froth in rapid crescendo to an exciting and thrilling climax. It is a new type of vehicle for "It" girl, being altogether farce without the customary dash of drama. It's built for laughs only, but there's plenty of loving to occupy the Redhead.

Ralph Forbes, the handsome hero of "Bean Geste," and recently seen in "A Lady of Scandal," with Ruth Chatterton, gives full play to his talent for straight farce in this "It" show. And Charlie Ruggles, playing in his first Paramount Hollywood studio picture, brings his frothy humor to an important supporting role. Also, there's Skeets Gallagher's laugh-provoking seriousness to add spice to the comedy.
