A DISCOURAGED CRIMINAL—THE FIREBUG

THE arsonist more and more is becoming a discouraged criminal. So relentless is the search—so greatly improved are the methods of detecting the deeds of this foe to all society—that fires started either for revenge or gain are steadily decreasing in number.

Likewise the pyromaniac, with his abnormal mind, is being curbed. More than half the states have amended their laws to more effectively check the operations of men who endanger the lives of others in their efforts to profit through destruction by fire. Other states are joining the movement.

companies, through the Arson Department of the National Board of Fire Underwriters, work unceasingly to apprehend the arsonist. The Arson Squad—composed of a large number of specially trained men—operates quietly and effectively in cooperation with the police and prosecuting authorities of states and municipalities, to safeguard the public against this form of crime.

MILL COMPANY DOES NOT PLAN TO RESUME OPERATIONS SOON

(News-Review Douglas County Special)
REEDSPORT, March 10 — On his return from Portland on Wednesday, H. Gordon McCall, manager of the Umpqua Mills and

Timber company's holdings here, stated that his chief business in the city was to learn whether there was any immediate prospect of the company resuming operations here. He says that the company's plans do not include reopening in the near future. Mr. McCall returned to Portland Sunday and expects to establish himself elsewhere.

New type of Prescription
HARTFORD, Conn. — A new type of doctor's prescription has made its appearance here. When a druggist receives a physician's order marked "P.P." he fills it free of charge. The symbol stands for "poor patient" and is a device introduced since the unemployment crisis.

SUNSHINE MELLOWS Heat Purifies

LUCKIES are always kind to your throat

Everyone knows that sunshine melloWS—that's why the "TOASTING" process includes the use of the Ultra Violet Rays. LUCKY STRIKE—made of the finest tobaccos—the Cream of the Crop—THEN—"IT'S TOASTED"—an extra, secret heating process. Harsh irritants present in all raw tobaccos are expelled by "TOASTING." These irritants are sold to others. They are not present in your LUCKY STRIKE. No wonder LUCKIES are always kind to your throat.

The advice of your physician is: Keep out of doors, in the open air, breathe deeply; take plenty of exercise in the mellow sunshine, and have a periodic check-up on the health of your body.

Minister Firmly Endorses Sargon

No matter where you go—North, East, South or West—there are thousands who testify that they owe their strength, vigor and well being to Sargon. Rev. Chas. E. Auger

REV. CHAS. E. AUGER

gion, Sept. 10, 1928. Spokane, Wash., recently said: "I was so weak and rundown I was at the point of complete exhaustion. My food disagreed with me, I hardly knew what it was to get a good night's sleep, and I seemed to lose weight and strength continually."

"Sargon and Sargon's Kidney Pills corrected my troubles speedily. I eat heartily, and my food agrees with me, with none of that former indigestion. I have gained eight pounds and am again strong and vigorous."
