BANDIT BATHES IN HOME OF VICTIM

(Associated Press United Wire) MINDELEIN, Ill., April 4.—A thoughtful mood today as he considered his crime in the case of the \$10,000 robbery of the state bank at Mindelein.

They included: 1—A pair of fancy blue-striped "shorts" belonging to Allan G. Mott, the bank cashier, which one of the four bank bandits donned after he had taken a bath in Mr. Mott's home.

2—A dark curly which the robber left in Mr. Mott's bath tub. "Is there any reason why I shouldn't go upstairs and take a bath?" the bandit asked Mott while his three companions were holding Mr. Mott and the members of his family captive in the Mott home.

County police searched the neighborhood for traces of the four robbers, without results. They stole the money when they took Mr. Mott to the bank yesterday, making themselves at home in his residence all night.

Roseburg Organization Has 40 Members; Contest Being Planned.

Roseburg boys are showing a lively interest in the newly organized American Model Aircrafters organization, says S. J. Shoemaker, of the Roseburg bank, who is in charge of the enrollment. The membership has reached a total of 40 in Roseburg. Mr. J. F. Thompson of Oakland has undertaken to enroll boys in that city also.

The American Model Aircrafters, known as the A. M. A., is a national organization of boys, the purpose of the organization is to give boys an opportunity to learn about aviation and aircraft through the actual experience of building and flying model planes. Adequate instruction in the work is provided by Kenneth Beach, district commander of the organization. Mr. Beach is in charge of manual training work at the Junior high school and is devoting a one-hour activity period each week to the airplane model building instruction work.

Contest is Planned

The local A. M. A. organization is sponsored by a group of local business men. Mr. Shoemaker, enrollment chairman, states that the membership has reached a point now where a contest may be planned and he is prepared to recommend the announcement of a contest to the board of sponsors at its meeting next week.

Membership in the A. M. A. costs each boy fifty cents. For this membership fee he is given his first model kit, the "Air King" and a membership card and badge to wear with full instructions for making his first model. A number of the boys have completed their models. The contests, which will be held at least every three months, will give the boys an opportunity to demonstrate the flying ability of the planes they have built. There will be prizes for the winners of such contests.

U. OF O. HEAD PLANS ECONOMY PROGRAM

(Associated Press United Wire) EUGENE, April 6.—The recipient of a spontaneous vote of confidence from the faculty, Dr. Arnold Bennett Hall, president of the University of Oregon, today undertook to prepare a report for that institution looking to adaptation of the Klein survey to the Oregon situation.

Dr. Hall reached Eugene Saturday and was assured by the faculty of its complete support when he told assembled professors of the determination to make necessary revisions to meet the wishes of Governor Meier for economy, and of the state board of higher education for a report on the Klein survey.

"To effect the economies necessary this year," Dr. Hall said, "it will be imperative to make even greater economies than those suggested in the survey, and our interest is in achieving every possible saving without impairing efficiency of educational work as a whole."

"All of our efforts will be bent on harmonizing what we believe to be a sound program of education with the obvious desires of the governor and a great many of our people."

Piles All Gone

Without Salves or Cutting

Itching, bleeding, protruding piles go quickly and don't come back if you remove the cause. Bad blood circulation in the hemorrhoid area causes piles by making the affected parts weak, flabby, almost dead. Salves and cutting fail because only an internal medicine can actually correct these conditions. Dr. J. S. Leonard discovered a real internal Pile remedy. After prescribing it for 1,000 patients with success in 269 cases, he named it HEM-ROD. Chapman's drug store says one bottle of HEM-ROD will cure your Pile misery or money back.—Adv.
