A House Frock Made At Home Saves A "Pretty Penny" PATTERN 2542

by Anne Adams

A pretty frock that saves a "pretty penny" is what we're all seeking in these days of limited budgets, and when one as pretty as this beckons, we waste no time in making it ours. Both trim and smart, it's designed in sizes right up to forty-six, and boasts all the firm, figure-molding lines of an afternoon frock. An elongated bodice and skirt yoke, aided by darts, seems literally to melt away those hard-to-lose pounds there at the waistline, while cape-like sleeves set up on the shoulder minimize bulk at that particular point. The collarless neckline is so flattering to the maifron. Any small-sized print, stripe or check in pre-shrunk cotton is serviceable.

Pattern 2542 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34 and 36. Size 36 takes 3 1/2 yards 36 inch fabric. Illustrated step-by-step sewing instructions included. Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this Anne Adams pattern, write plainly name, address and style number. BE SURE TO STATE SIZE.

DON'T WAIT! SEND NOW FOR THE WINTER PATTERN BOOK! You need all the advice Anne Adams gives you on keeping the family trimly and attractively dressed. You need to know more about clothes etiquette, more about fabrics and fashions, more about glorifying your type! PRICE OF BOOK FIFTEEN CENTS. BOOK AND PATTERN TOGETHER, TWENTY-FIVE CENTS.
