JEWISH RULE OVER WORLD FORESEEN

That the Jews will some day soon displace the Gentiles and rule the world, was the contention of Dr. J. E. Conant, in his address at the Baptist church on Thursday night.

He first showed from the Bible that it is prophesied that this shall come to pass, and then it was shown that the preparations for it have already gone a long way. The Gentile nations are breaking up, and parallel with that situation, the Jews are coming up. The World War opened the way for the movement that is now taking place, was the contention.

"Yet once," quoted the speaker from the Bible, "I will shake the nations." And the Jews were shaken into Palestine from 65 nations of the world. It took 100 years for 60,000 Jews to return to Palestine from Babylon. But in 10 years after the War, 125,000 had returned from all over the world, and now there are 300,000 there. It is the greatest movement of Jews that the world has ever seen since they were brought up from Egypt to Palestine.

"But," continued the speaker, "sadly enough they are not waiting for God to bring His promises to them to pass in His own way. A group of apostate Jews, who have had no mandate from their people, are scheming to take world rulership by craft and by force, and a lot of blind Gentile dupes are being used as their front." And God will let them reap the fruit of their own doings, which will head them into what the Bible calls the "time of Jacob's trouble," which will prove to be the most awful period of suffering the world will ever see, and it is to be so awful that the Bible calls it the "great tribulation."

"There is an international super-government which not one can locate, and behind it are the international bankers, furnishing the means to carry the scheme through, and all the confusion among the nations today is a planned confusion to break the nations down in another war so that these secret schemers can rise up and take world rulership.

"Then when the Jews in Palestine are being crushed between Russia and Italy, as between two millstones, they will begin to cry to God, and He will deliver them from their enemies and give them the land and world rulership at His own hands, as He promised Abraham, and then shall follow a thousand years of peace and safety. These events are just ahead of us."

OREGON EVENTS FLASHED FROM WIRE SERVICE

ALBANY, Ore., Jan. 3.—(AP)—Two men, "Federal burglars," were arrested here yesterday on the feasibility of the water supply project at Sweet Home caused the city council to order abandonment of the work. Mayor C. H. Cruse of that city declared.

PORTLAND, Ore., Jan. 3.—(AP)—Portland's dogs must be kept on the owners' premises or on a leash for the next 320 days, the city council ruled. The action was taken after state officials threatened to quarantine the city's canines if the city made no move to quell a current epidemic of rabies. Several persons have been bitten.

SALEM, Jan. 3.—(AP)—The Marion county auditor filed a bill for \$23,247 for old age pensions during the year 1935. He reported pay-

ments ranged from \$5 to \$17.50 a month.

SALEM, Jan. 3.—(AP)—All but four counties have paid their state taxes in full. State Treasurer Rufus C. Holman announced today. All of the other 32 have remitted their share to Oregon's government.

The four named were Deschutes with a balance due of \$7,725; Polk with \$11,586; Jefferson with \$6,412, and Tillamook with its fourth quarter share held up pending action as a result of a legislative act of the last special session which credited it with a portion of the taxes due during the disastrous timber fire there in 1933 and for which the county requested a rebate.

MEMINNVILLE, Ore., Jan. 3.—(AP)—The Baptist board of education contributed \$2500 to the Linfield college building fund, leaving the unpaid balance of a \$30,000 pledge at only \$10,000. President Elam J. Anderson of Linfield college said today.

OSWEGO, Ore., Jan. 3.—(AP)—A proposal to extend the Gweno sewer system with \$140,000 federal funds, of which \$65,000 would be a grant, was before voters at an election here today.

If you drive a NASH

NASH has always built along sound engineering lines. The announcement, therefore, of the new Nash "400" motor, described as the "first new kind of automobile motor in years," comes with interest not only to the motor car industry but also to the motor car buying public. In addition to several new mechanical improvements, all models of the new Nash have been re-styled in design. Thousands of Nash owners in all parts of the Coast use Hi-Octane gasoline exclusively because of its remarkable purity, smoothness and anti-knock power. Drive into the neighborhood Richfield station for a tankful.
