ADULT AND NURSERY COURSES TAUGHT

Twelve Teachers Working in Douglas County on Education Project.

Twelve teachers are now teaching in Douglas county on the state-wide adult and nursery school educational project sponsored under the WPA by the state department of education, according to an announcement by C. A. Howard, state superintendent of public instruction.

These teachers are: J. F. Brown, Raymond F. Ballard, Robert E. Clee, Mary O. Erbach, Helen Sigriston, Evelyn E. Bowen, Lucille Rice, Einar P. Knotes, Leo Byers, Sophia Weaver, Mrs. Raffe Reynolds and Lytleton P. Dryden.

In the state at large there are approximately 300 teachers instructing some 800 adult classes and conducting 19 nursery schools for children ages two to five from relief families.

A variety of adult classes are being taught this year including Americanization classes for the foreign-born, public speaking, economics, first aid, crafts, parent education, commercial law, English, hobbies, sewing, cooking, recreation, literature, social problems, radio, aviation, ground school course, and similar classes.

This state-wide educational project is designed to give persons qualified to teach under WPA an opportunity for employment in line with their training.

SALES OF PONTIAC SHOW HUGE GAIN

"One of the most important pieces of news in the ten years of Pontiac Motor company is the doubling of both sales and production of Pontiac automobiles in 1935 over 1934," said H. J. Klingler, president and general manager of the company, in reporting the rapid increase in the public acceptance of the company's six and eight cylinder cars during the last twelve months.

Retail sales in the United States increased from 72,877 units in 1934 to 147,014 in the year just ended, which is a gain of 101.8 per cent. Hundreds of dealers in every part of the country report that their Pontiac business has doubled and tripled.

Pontiac has established records for production and sales in 1935 that have been exceeded only once since its original announcement ten years ago. Even those figures could have been surpassed, Mr. Klingler is certain if the company had had the increased manufacturing facilities it possesses today.

All through the spring months last year dealers were forced to take cancellations of orders or else could not accept them at all because of the inability to make deliveries.

"Now that the plant capacity has been increased to take care of deliveries promptly this spring and our dealer organization improved materially together with the steadily increasing public acceptance for the product," said Mr. Klingler, "I believe that Pontiac sales in 1936 will equal or pass the 225,000 point, which will mean an all-time mark."

RIDDLE, OREGON SCHOOL BUILDING IMPROVEMENT

P. W. A. Docket No. 11068 ADVERTISEMENT FOR BIDS Sealed proposals will be received at the present school building at Riddle, Douglas County, Oregon, until 4:00 o'clock P. M. January 27, 1936, for the construction and equipment of a School Building according to plans, specifications, and other contract documents, prepared by Graham B. Smith, Architect, Register-Guard Building, Eugene, Oregon.

These bids will be publicly opened and read at 4:00 o'clock P. M. at said date and place.

Plans, specifications, instructions to bidders, Federal construction regulations, general provisions, and other contract documents are on file for examination at the office of the Builders' Exchange, Portland, Oregon. Copies of these documents may be obtained upon application to and the deposit of

Auxiliary to Meet—The American Legion auxiliary will meet Wednesday afternoon, January 23, at 2:30 o'clock in the auxiliary rooms at the armory to see for the chest. Senator Walter Fisher will give a talk discussing the four measures to be voted upon at the election this month. Mrs. Parkinson, president, has asked that every member try to attend this meeting.
