HOLLYWOOD CLUBSAN DIEGO, Calif., Jan. 22.—
(AP)—The Hollywood baseball
franchise in the coast league will
be transferred to San Diego for
the 1936 season.H. W. Lane, president of the
Hollywood club, said he had re-
ached a tentative agreement with
San Diego officials to bring the club
here. Officials plan to construct
the park near the waterfront as
a WPA project.Lane said rental for his club at
Wrigley field, Los Angeles, where
Hollywood has played for several
years, was entirely too high.The Hollywood Stars are due to
open March 28 in Los Angeles.
Lane said he would arrange to put
the team on the road after a two
week stand in Los Angeles, to give
sufficient time to prepare a ball
park in San Diego.In Los Angeles, David P. Fleming,
president of the Los Angeles
club, joint tenants with the Stars
of Wrigley field, intimated the San
Francisco Missions might be moved
to Los Angeles in event of the
departure of the Hollywood team,
to give Los Angeles continuous
baseball.RHS QUINT DATED
WITH MARSHFIELDLeadership of the Douglas-Cross
division of the state high school
basketball conference will be decid-
ed here Friday night when Marsh-
field and Roseburg meet at the
senior high school gymnasium.Both teams are undefeated in con-
ference play, although both lost
pre-season games.Although Marshfield has a ranc-
y team, with four lettermen on the
squad, the "dope sheet" would in-
dicate the two teams to be of about
equal ability, despite Roseburg's
lack of height among the players.Marshfield won from Myrtle
Point 39 to 38, while Roseburg de-
feated Myrtle Point 25 to 16. North
Bend was beaten 28 to 20 by Marsh-
field and 21 to 18 by Roseburg.ASTROLOGER FINDS
BRUNO "FRAMED"NEW YORK, Jan. 22.—(AP)—
An astrologer who has engaged
himself as a criminologist, pre-
dicted today a development on or
about Feb. 26 favorable to Bruno
Richard Hauptmann.Paul Clancy, editor of the mag-
azine American Astrology, said he
based his forecast on Hauptmann's
horoscope.Clancy said that he agreed to
pay \$5,000 to Nugent Dodds and
Nell Burkshaw, Washington law-
yers who acted for Hauptmann in
the unsuccessful federal court pro-
ceedings at Trenton and Washing-
ton. He has engaged Robert W.
Hicks, Washington criminologist,
to investigate the kidnapping.Clancy claimed to have made
the following predictions:
"Between Jan. 14 and 28, a favor-
able message." (Hauptmann was
granted a reprieve Jan. 16.)
"A sensational development theweek of Dec. 22." (The Lindbergh
family left for England early Dec.
22.)As to the future Clancy said:
"Another favorable message is
scheduled for about Feb. 26."
Governor Hoffman will obtain
his objective. The stars indicate
that he will get to the bottom of
the Lindbergh mystery.Hauptmann's stars make him
out to be a victim of unscrupulous
associates.U. S. REGULATION OF
MOTORISTS URGEDCLEVELAND, Jan. 22.—(AP)—
Frank J. McDevitt, of St. Louis,
chairman of the American Road
Builders' association, recom-
mended federal regulation of automo-
bile drivers and vehicles today.He submitted his committee's
report to the 33rd annual conven-
tion of the association. The survey
included 53 of the nation's major
cities, he said.McDevitt said the committee pro-
posed that the association present
the result of its findings to Presi-
dent Roosevelt to obtain a consti-
tutional amendment if the presi-
dent deems such a step necessary.20-30 OFFICIALS ARE
LOCAL CLUB GUESTSThe Roseburg 20-30 club last
night entertained Dr. O. T. How-
ard and Bret Neilson, both of

ber of the board of trustees of the
Associated 20-30 clubs, and Mr.
Neilson is governor of district No.

OF U. S. IS COSTLYOREGON CITY, Ore., Jan. 22.—
(AP)—Major Owen Summers of
Vancouver barracks said he per-
sonally believed the United States

pared.The war cost the United States

Thinks He Can Lick Any
of Top Heavyweights.SAN FRANCISCO, Jan. 22.—
(AP)—Leo Lomski, planning to
quit his job as a San Francisco
night club bouncer within a month
and try to regain the title of "Ab-
erdeen assassin" which made him
a hero in his home town.Like every other former fighter,
Lomski, at the age of 33, thinks
he will have one more comeback,
and a successful one, in his sys-
tem."I haven't fought for four years,"
he said today, "but while I've been
sitting in the cheap seats I haven't
seen a heavyweight I couldn't lick."
That's why I want to come back."The heavyweights he has seen
include Joe Louis, who Lomski ad-
mits is good but "he couldn't pos-
sibly be as good as they say." "No-
body could, Louis is not smart.
His handlers are smart and a han-
dler can take you along so far and
no farther, unless you've got some-
thing above the ears."The one time assassin weighs
195. He says he can take that
down to 190 in two weeks, and that
would be his fighting weight.Lomski's 157 fights as a middle-
weight and light-heavyweight in-
clude battles with Jimmy Braddock,
current king of the heavies; Tommy
Loughran, Mike McTigue, Char-
lie Berlanzer, Joe Sekyra, Harry
Dillon and Pete Letzo.He usually won, but now when
someone gets obstreperous in the
night club he says:

and they shouldn't pick on an old
has been. They go away feeling
sorry for me."O.S.C. BASKETEERS

"I put TERRAPLANE first
because I put Safety First"

"Go ahead, kids... that car's got BRAKES!"

NO one needs to be reminded that
safe driving in winter, more than at
any other season, calls for a car that is safe.
Then why not start this new year with
the "safest car on today's highways?"
Terraplane—with more new and impor-
tant safety features than any other low
priced automobile ever had!

Bring Safety up to Date!

enough. And no other low priced car
but Terraplane meets that demand with
Duo-Automatic Hydraulic Brakes (pat-
ent applied for). Latest and best hydraul-
ics with a separate safety braking
system that takes hold automatically if
ever needed.For added safety on the highway—
greater steadiness on curves—two more1936 improvements: Tru-Line Steering
and the Rhythmic Ride.Safer Bodies!
Safer Chassis!The world's first safety engineered chassis
is now combined with America's first
bodies all of steel, and seamless roof of

plane's record-breaking performance,
to take you out of traffic "tight spots."
And in the Electric Hand, an optional
